OUR MISSION

Mad About Science is passionate about bringing the world of science to all young Australians, and making it FUN! We scour the world to bring the best science materials at the best prices to Australian teachers, parents and children.

With over 3000 products, we are consistently ahead of the field with fresh products as well as tried-and-true classics.

Inline with our mission, we also have an incursion arm of our company - **Mad About Science In Schools** - comprised of a team of teaching specialists who deliver quality science workshops in Victorian primary schools. We really care about connecting more people with the fascinating world of science.

VISIT OUR MELBOURNE SHOWROOM

To our Melbourne customers: come visit our showroom in Boronia. Meet our friendly staff, swing a super-sized pendulum and high-five our witty robot, Meccanoid!

MORE ABOUT US

Mad About Science is the home of unique science products - toys, kits, gizmos, novelties, laboratory supplies and teacher resources - designed to amaze as well as educate.

With over 3000 product listings, our unique and extensive product range covers all your school science needs.

Owned and operated by teachers with extensive qualifications in science research, since 2008, Mad About Science has built a solid reputation for quality educational products and exceptional customer service.

Winning the 3AW Momentum Energy Small Business Success Award is testament to our hard work and dedication.

We have a comprehensive **STEAM** (Science, Technology, Engineering, Art and Mathematics) range to promote global thinking in children, and prepare them as forward thinking citizens who can operate in a modern, complex, technology-dependent and connected world.

Children are natural born scientists and just love science and hands-on experiments. Through our extensive product range and quality outreach program, we are proud to be helping teachers and parents engage more young people with science.

TERMS & CONDITIONS

PRICING & PAYMENT OPTIONS

- We accept credit card, direct bank transfer, money order and cheque payments. Cash payments will only be accepted in our physical store when an order is collected.
- We reserve the right to vary prices from those advertised in this catalogue in the event of changes in exchange rates or price rises made by wholesalers or other suppliers.
- All orders from schools and educational institutes who require invoicing for payment on account should be accompanied by a purchase order.
- Individuals not associated with a school or educational institute can not purchase on account and will need to pay upfront.
- Bulk pricing may apply to some products. Please contact us for a quote.
- All prices shown include GST

RETURNS POLICY

- If you are not satisfied with your product(s) send them back to us within 14 days for a store credit. We must receive the returned item in an unopened, re-sellable condition. We do not refund postage costs.
- Any claim for a damaged or short supply product must be made in writing within 7 days of receipt of the order.
- We provide a six month warranty on our products against manufacturing defects. This does not apply to products that have been misused, mistreated or accidentally broken. The fault must be documented in a photo or video, or bought in store for assessment in person.
- Because of high postage costs, we are unable to replace products sent to countries outside of Australia.

PRODUCT LISTINGS

- Photos are for reference only, and there may be some variation in the actual product due to circumstances outside of our control.
- Products listed in this catalogue may be discontinued or replaced with alternative products at any time.
- Although we use our best endeavours to ensure the accuracy of all information contained in this catalogue, we will not be held responsible for any inaccuracies or errors caused by incorrect information supplied to us, or suppliers changing product specifications without notice.

SCHOOL WORKSHOPS

SCIENCE WORKSHOPS FOR SERIOUSLY FUN, HANDS-ON LEARNING!

Presented by expert facilitators and aligned with the Victorian curriculum.

Mad About Science is committed to excellence in science education and sparking a lifelong passion for science.

Inline with our mission, we are proud to be In Schools providing quality outreach programs developed by highly qualified experts in their field. Our engaging and interactive workshops are aligned with the Victorian curriculum, and blend enticing class demonstrations with small-group experiments to facilitate genuine learning.

Our passionate science communicators present a wide range of incursion topics encompassing biological, chemical, earth and space, and physical sciences as well as STEM workshops. We run our popular programs in primary schools, secondary schools, kindergartens, private and public venues for parties, holiday programs and other events within Melbourne and regional Victoria.

During our sessions students develop critical and creative thinking skills, they will ask questions, make predictions and draw conclusions using scientific methods.

An adorable, soft plush of the stripy African Zebra to cuddle and keep by your side.

CHEMISTRY OF NUTRIENT MODEL

- **SKU** R-MOD5

 **\$199.95**

Construct models of all three nutrient groups: carbohydrates, fats and proteins.

CHEMISTRY, AN ATOM BUILDING GAME

- **SKU** MAS-02537

\$29.95

Up and atom! A race to build the atom with the most protons, neutrons and electrons.

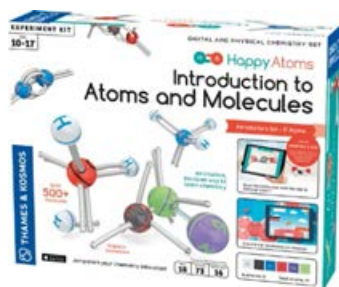

HAPPY ATOMS - COMPLETE SET

- **SKU** 585001

\$279.95

Assemble your own molecular models and explore them in the digital world.

HAPPY ATOMS - INTRODUCTION TO ATOMS & MOLECULES

- **SKU** 585002

\$99.95

This kit is a solid introduction to atoms, molecules, bonds, electrons and matter.

HYDROPHOBIC SAND TEST TUBE

- **SKU** MAS-01886

\$6.95

Pour the colourful, waterproof sand in water and build gravity defying formations.

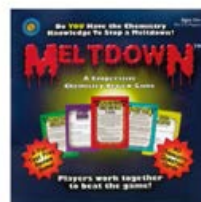

MAGIC PETS

- **SKU** HPD-902

\$7.95

A tube with 5 or 6 coloured critters that get bigger in water until fully grown!

MELTDOWN CHEMISTRY GAME

- **SKU** MAS-02585

\$39.95

Keep your cool! Students try to prevent a nuclear meltdown in this engaging game.

MOLECULAR MODEL SET - ADVANCED

- **SKU** MAS-00840

\$34.95

Build a variety of simple and complex molecules. Over 180 atom pieces and bonds.

MOLECULAR MODEL SET - BASIC

- **SKU** MAS-00818

\$24.95

Build a variety of simple and complex molecules. Over 60 atom pieces and bonds.

MOLECULAR MODEL SET - TEACHERS

- **SKU** MAS-00841

\$69.95

Build a variety of simple and complex molecules. Over 240 atom pieces and bonds.

MOLECULAR MODEL STUDY KIT

- **SKU** 3101

\$34.95

Styrofoam balls, plastic spheres, and connectors to build your own molecules!

MOLECULAR MODELS KIT

- **SKU** R-MOD1

\$99.95

Start bonding! 12 sets of everything needed to build 3D models of molecules.

NANOTECHNOLOGY

- **SKU** 631727

\$179.95

Access the intangible, nanoscopic world through 41 hands-on experiments.

ORGANIC CHEMISTRY MOLECULAR MODEL

- **SKU** R-MOD2

\$119.95

Construct hydrocarbon molecules, functional groups and isomers all with the same kit!

UNDERSTANDING THE PERIODIC TABLE ANALOGY KIT

- **SKU** 477

\$129.95

A puzzle that gives students a hands-on head start understanding the periodic table.

ZOMETOOL, BIOCHEMISTRY

- **SKU** MAS-01330

\$59.95

A unique building system used by kids, educators, scientists, and Nobel Prize winners...

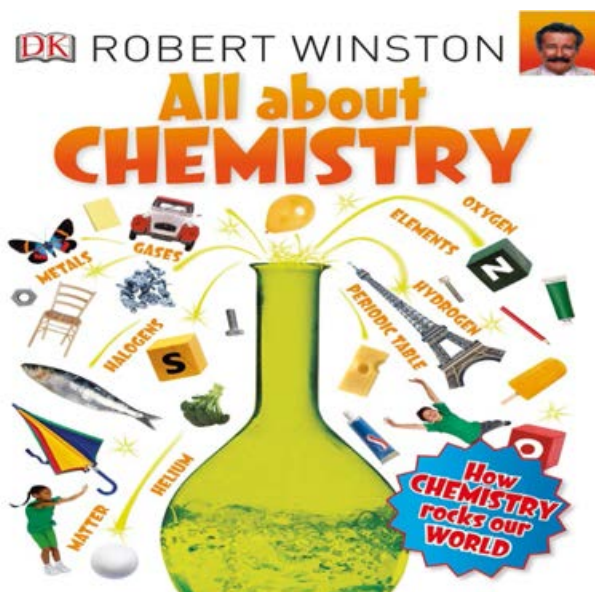

ZOMETOOL, CREATOR BASIC KIT

- **SKU** ZT-OA-BAS-KIT

\$49.95

This unique building toy is your entry into the creative world of Zometool. 120+ parts.

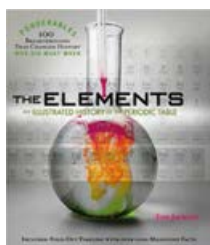

ALL ABOUT CHEMISTRY: BIG QUESTIONS

• SKU 9780241206577

\$19.99

Professor Robert Winston provides a fun introduction to chemistry! 96 pages.

ELEMENTS - AN ILLUSTRATED HISTORY OF THE PERIODIC TABLE

• SKU 9781627950947

\$34.95

This beautiful book details everything you need to know about the elements and symbols.

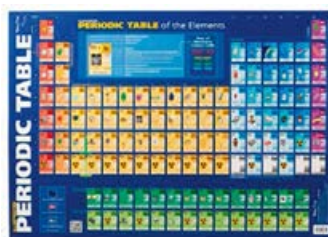

PERIODIC TABLE FRIDGE MAGNETS

• SKU MAS-00490

\$15.95

Stick periodic-table magnets to the fridge and reflect the tasty chemistry of cooking.

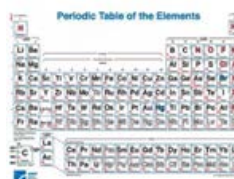

PERIODIC TABLE OF THE ELEMENTS POSTER

• SKU TFC59072

\$14.95

An up-to-date periodic table with detailed but easy to understand information.

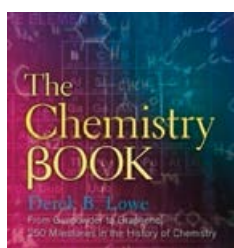

PERIODIC TABLE WALLCHART

• SKU MAS-02538

\$99.95

This large, durable and colourful wallchart goes all the way up to Uuo #118.

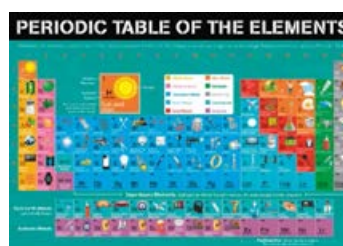

THE CHEMISTRY BOOK

• SKU 9781454911807

\$49.95

This lush, authoritative chronology presents 250 milestones in the world of chemistry.

WONDERS OF LEARNING DISCOVER THE PERIODIC TABLE WALL CHART

• SKU 9781786905864

\$7.95

Full-colour chart with up-to-date version of the periodic table. 43cm x 56cm.

BUBBLE LIQUID

- **SKU** MAS-01815

**\$8.95**

Bubble liquid perfectly suited to our bubble machines, for long-lasting bubbles.

BUBBLE MACHINE

- **SKU** AB1224

\$39.95

Enhance the atmosphere at your next science party with this affordable bubble machine.

BUBBLE SCIENCE

- **SKU** MAS-00771

\$24.95

Learn all about bubbles with 4M Bubble Science. Eight bubblicious experiments in total.

GIANT BUBBLE MIX SUPER CONCENTRATE

- **SKU** PO5050

\$14.95

This solution makes super fun giant bubbles everytime! A 500ml bottle.

MAGIC BALLOON PASTE

- **SKU** FS070

\$5.95

Place this magic paste on the pipe and blow to make different balloon shapes.

TOUCHABLE BUBBLES

- **SKU** MAS-00154

\$5.50

Blow super strong bubbles that don't pop even when touched. A bubble break through!

ZOMETOOL, CRAZY BUBBLES

- **SKU** MAS-01593

\$29.95

These are jewels disguised as bubbles. Tons of fun! Great for science projects.

BORAX 500G - SODIUM BORATE - DI-SODIUM TETRABORATE DECHYDRATE POWDER

- **SKU** SLO38-500G

\$49.95

A well-known cleaning agent that can also be used in the making of slime.

CHEM BIT - COOL CHEM LIGHT

- **SKU** MAS-01682

\$7.95

Use the luminol reaction to make a glowing liquid, and learn about chemiluminescence.

CHEM BIT - DISAPPEARING INK

- **SKU** MAS-01499

\$7.95

Explore the magic of chemical reactions with this disappearing ink party trick.

CHEM BIT - MAGIC SAND

- **SKU** MAS-01496

\$7.95

Pour the coloured sand into water and sculpt it into gravity defying formations.

CHEM BIT - PHOTOCROMIC PAINT

- **SKU** MAS-01504

\$7.95

Become a UV detective with paint that detects ultraviolet rays from the sun!

CHEM BIT - PHOTOCROMIC PAINT

- **SKU** MAS-01500

\$7.95

Experiment with cool chemical reactions that generate and release light energy.

CHEM BIT - THERMOCHROMIC THINGS

• SKU MAS-01503

\$7.95

Experiment with materials that change colour depending on the temperature.

COOL BLUE LIGHT CLASSROOM KIT

• SKU MAS-01511

\$74.95

Create a cool blue light, change the colour of soda, make coins glow and more!

COOL BLUE LIGHT EXPERIMENT KIT

• SKU MAS-02120

\$19.95

Create a cool blue light, change the colour of soda, make coins glow and more!

DETERMINING CHEMICAL FORMULAS KIT

• SKU R-DCF1

\$129.95

Uncover the chemical composition of common substances through hands-on activities.

EIN-O ACID AND BASE BOX KIT - ESSENTIAL CHEMISTRY

• SKU 32387-ACID

\$16.95

Explore the properties of acids and bases and discover some revealing pH experiments.

ELECTROLYSIS KIT

• SKU 3556

\$29.95

Break down water into hydrogen and oxygen to reaffirm the make-up of water.

FASCINATING OSCILLATING REACTION KIT

• SKU MAS-01508

\$19.95

Explore solutions, concentrations, catalysts, equilibrium and the use of variables.

GEEK & CO SCIENCE: GLOW STICK LAB

• SKU 550062

\$34.95

Make awesome glow sticks that shine under UV lights and glow in the dark.

GENECON V3 ELECTROLYSIS APPARATUS

• SKU MAS-02481

\$89.95

Demonstrate experiments in electrical charge/discharge and energy conversion.

GEYSER TUBE

• SKU MAS-00064

\$8.95

Trigger an enormous geyser by dropping MENTOS chewy mints into a bottle of diet Coke!

GIANT 40CM GLOW STICK

• SKU MAS-00240

\$4.95

A 40cm long glow stick! It maintains its high intensity glow for up to six hours.

GLOW IN THE DARK PAINT - 125ML

• SKU MAS-00694

\$4.95

125ml of glow-in-the-dark paint. No UV light required for glow. Non-toxic. Water based.

GLOW IN THE DARK PAINT - 2 LITRE

• SKU MAS-00751

\$44.95

2 litre container of quality glow-in-the-dark paint. Non-toxic. Water based.

GLOW IN THE DARK PAINT - 250ML

• SKU MAS-00750

\$9.95

250ml of glow-in-the-dark paint. No UV light required for glow. Non-toxic. Water based.

GLOW TAPE

• SKU LUKGLO

\$17.95

Get glowing! This tape recharges in the sun or artificial light. 5m of tape.

GLOW UV FACE PAINT

• SKU MAS-00513

\$4.95

Create some fantastic after-dark effects with this great-value glowing face paint.

GLYCEROL 500ML

• SKU GA010-500M

\$45.00

A useful liquid for making many things...including giant, long-lasting bubbles!

MICRO ROCKET

• SKU JE607745

\$9.95

Just add vinegar and baking soda, and the countdown begins. 3...2...1...BLAST OFF!

PHENOL RED AND BROMOTHYMOLO BLUE

• SKU MAS-01510

\$19.95

Explore acids and bases, and gain experience using real-life indicators.

PRESTO! CLOCK REACTION KIT

• SKU MAS-01507

\$19.95

Make two solutions and mix them together, then watch the colour change within seconds.

RADICAL GLOW IN THE DARK FACE PAINT

• SKU MAS-00695

\$8.95

Face paint that glows in the dark - no black light required! Glows a bright green.

RED CABBAGE INDICATOR JIFFY JUICE

• SKU MAS-01512

\$17.95

Red cabbage extract that makes colourful solutions when mixed with acids and bases.

RED CABBAGE INDICATOR JIFFY JUICE REFILL

• SKU MAS-01513

\$12.95

A handy 20 grams refill bottle for when you've used all your original Jiffy Juice.

WATER GLASS 500ML - SODIUM SILICATE SOLUTION TECHNICAL

• SKU STO15-500M

\$55.00

Useful product for water treatment or for making soaps, detergents, adhesives and more.

BATH BOMB FACTORY

• SKU MAS-02090

\$29.95

Mold your own scented and coloured bath bombs, and investigate the science of fizz.

BATH BOMB STUDIO

• SKU 171103

\$19.95

Mold your own scented and coloured bath bombs, and investigate the science of fizz.

CHEMISTRY 150+ - CLEMENTONI

• SKU CLE61290

\$54.95

A kit jam packed with 150 chemistry experiments for all junior mad scientists.

CHEMISTRY 200, SCIENCE FOR YOU

• SKU SFY-91246

\$22.95

Ten awesome experiments to get you excited about chemistry! Instructions included.

CHEMISTRY 60 EXPERIMENT KIT

• SKU EDU-7075

\$44.95

A wonderful starter kit with 60+ science and kitchen chemistry activities.

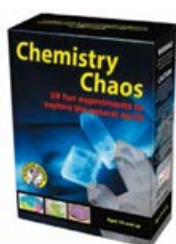

CHEMISTRY C500

• SKU MAS-02103

\$59.95

A complete introduction to the world of experimental chemistry. 28 classic experiments.

CHEMISTRY CHAOS

• SKU 9320190754417

\$29.95

Great value chemistry science kit with 19 experiments and suggestions for more.

CHEMISTRY LAB 200+

• SKU MAS-01261

\$60.00

A complete lab with a set of instruments to carry out 200 safe and easy experiments.

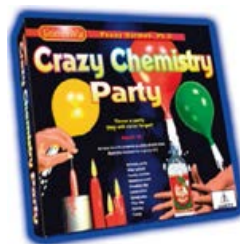

CLEMENTONI MY FIRST CHEMISTRY SET

• SKU 61247

\$29.95

A modern chem lab with 80 safe and fun activities! Comes with periodic table puzzle.

CRAZY CHEMISTRY PARTY

• SKU MAS-00575

\$34.95

Mix chemistry and fun for an explosive party. Enough materials for 5 mad scientists.

DETECTOLAB CRIME SCENE INVESTIGATION SCIENCE KIT

• SKU EDU-7080

\$34.95

Learn to use scientific detecting methods. Over 65 different activities included.

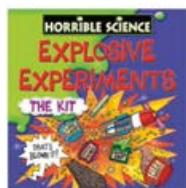

ERUPTIONS & EXPLOSIONS: FIZZING SCIENCE DISCOVERY KIT

• SKU MAS-02983

\$22.95

A set of five exciting experiments, including launching a rocket and making a volcano!

EXPLOSIVE EXPERIMENTS

• SKU LL10341

\$39.95

Indulge your urge to blow things up (safely, of course!) with this explosive kit.

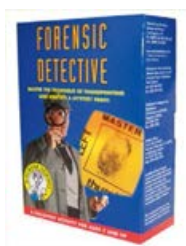

FIZZ N HATCH BATH BOMB

• SKU HJ-2541

\$7.95

A golden egg that hatches in the bath and leaves you with a fun toy to play with!

FORENSIC DETECTIVE KIT

• SKU MAS-00061

\$12.95

Become a forensic detective! Dust for fingerprints, identify footprints and more.

FORENSIC SCIENCE

• SKU 78103

\$21.95

Become a forensic scientist, using the same methods as the experts. 4 fun activities.

GEEK & CO. SCIENCE: PLASMA REACTOR

• SKU TC-550012

\$34.95

Make a cool bubbling lamp and learn some chemistry in the process. Includes LED light.

GLOWING CHEMISTRY

• SKU 644895

\$79.95

Explore the fascinating world of chemical reactions that produce light. 22 experiments.

KIDS FIRST CHEMISTRY SET

• SKU 642921

\$74.95

Kick off a chain reaction of fun experiments with this introductory chemistry set.

KITCHEN SCIENCE

• SKU MAS-00428

\$24.95

Perform 6 amazing experiments using everyday materials found in your kitchen.

LIP BALM FACTORY

• SKU TTWS/55L

\$24.95

Mix colours and flavours to make your own lip protectors, balms and SPF lip screen.

LIP BALM STUDIO

• SKU MAS-01628

\$16.95

Mix ingredients to create your own shimmering lip balms and fruity lip protectors.

MAGIC GARDEN

• SKU MAS-00082

\$11.95

Grow your magic garden with delicate crystal trees, mountains and grass in just 10 hours!

MAGIC NAIL FACTORY

• SKU TTWS/61L

\$24.95

Turn ordinary finger nails into extraordinary, with glow and colour change effects.

MAGIC TREE

• SKU MAS-01844

\$7.95

Everything you need to make a pretty flowering crystal in just 10 hours.

MASTER DETECTIVE TOOLKIT

• SKU 630912

\$64.95

Grab this briefcase of investigator's tools and solve some crimes! 26 experiments.

PRACTICAL JOKE SOAP LABORATORY

• SKU MAS-00263

\$27.95

Create dreadful, life-like brain soap, and much more. This kit is disgustingly gruesome!

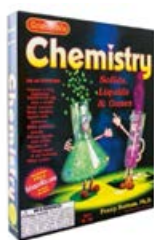

SCIENCE LABORATORY - FIRST LABS

• SKU MAS-02139

\$74.95

This kit allows preschoolers to start building strong STEM skills and comprehension.

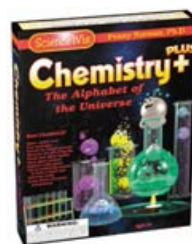

SCIENCE WIZ CHEMISTRY

• SKU 9781886978042

\$34.95

Explore the matter of matter with 29 hands-on activities! Award winning chemistry kit.

SCIENCE WIZ CHEMISTRY PLUS

• SKU 9781886978102

\$34.95

Develop an understanding of the elements in the periodic table with this exciting kit.

SLEEPOVER PARTY

• SKU 160829

\$43.95

Learn about the science behind perfume, bath bombs and liquid bracelets!

SUPER CHEM 100: KITCHEN EXPERIMENTS

• SKU EDU-8350

\$49.95

100 experiments and chemistry activities to keep you busy and learning for weeks!

SUPER CHEM 120: SCIENCE AND KITCHEN CHEMISTRY

• SKU EDU-8355

\$59.95

Put on your safety goggles, like a real scientist, and concoct 120 awesome experiments.

THAMES & KOSMOS CHEM C1000

• SKU 640118

\$99.00

Unleash your inner chemist with this essential science kit. 75 diverse experiments.

THAMES & KOSMOS CHEM C2000

• SKU TC-640125

\$249.00

A thorough intermediate exploration of chemistry for older kids. 250 experiments.

THAMES & KOSMOS CHEM C3000

• SKU 640132

\$389.00

The ultimate chemistry kit for chemists of any experience level! 360 experiments.

THAMES & KOSMOS FINGERPRINT DETECTIVE

• SKU MAS-02976

\$14.95

A kit for collecting and analyzing fingerprints to learn about scientific investigation!

THAMES & KOSMOS: MOLECULE MADNESS

• SKU TC-551010

\$17.95

Drip sodium alginate into a solution containing calcium ions to make gelatin beads.

15 MINUTE SOURDOUGH KIT

• SKU 74209

\$43.95

Create artisan sourdough bread in 15 minutes with this sophisticated all-inclusive kit.

CHEESEMAKER VAT & INCUBATOR SET

• SKU MAS-01396

\$64.95

Set includes an incubator and two cheese vats for making cheese and yoghurt.

CHEM BIT - EDIBLE MAGIC COLOR CRYSTALS

• SKU MAS-01501

\$7.95

Experiment with chemicals that you can drink with this this little chemistry kit.

CULTURE & ENZYME MEASURING SPOONS

• SKU MAS-01393

\$9.95

Five tiny spoons great to measure tiny amounts of ingredients during cheesemaking.

CURD KNIFE

• SKU MAS-01395

\$15.95

This knife carefully cuts delicate curd without tearing when making cheese.

DRAINING SPOON

• SKU MAS-01394

\$13.95

Draining spoon used for stirring and separating curd from whey during cheesemaking.

FIZZY FUN SHERBET BOTTLE

• SKU MAS-00566

\$0.49

Cute sherbet bottle full of delicious tangy sherbet. Perfect for science parties.

FOOD CHEMISTRY KIT

• SKU 7-2000-12

\$229.95

What's in your food?! Includes chemicals, test tubes, culture tubes, pipets and more.

M&M'S MINI TUBE

• SKU MAS-02247

\$3.45

Decorate science desserts, and then blast the empty canister into the air with a gas.

MAD MILLIE ARTISAN CHEESE KIT

• SKU MAS-01357

\$149.95

Everything you need to create a wide selection of delicious artisan cheeses at home.

MAD MILLIE CHEESE VAT

• SKU MAS-01953

Miracle berries changes the way you taste food. Sour and bitter becomes sweet!

POP ROCKS MAGIC POPPING CANDY

• SKU MAS-00565

\$0.99

The original strawberry-flavoured POP ROCKS with a twist - they paint your tongue.

POP ROCKS POPPING CANDY

• SKU MAS-00564

\$0.99

The original strawberry-flavoured POP ROCKS! For the best popping party in your mouth.

SCIENCE LAB COOKIE CUTTERS

• SKU MAS-00448

\$21.95

Express your love of science in the kitchen with this set of 4 large cookie cutters.

SOUR FILLED MEGA BUBBLE GUM EGGS

• SKU MAS-02259

\$1.95

These eggs are rainbow-coloured, super sour, and enable you to blow incredible bubbles!

SOUR GECKO TROLLI

• SKU MAS-02261

\$1.00

These little reptiles by Trolli are deliciously sour and delightfully gummy!

10MM DENSITY CUBES - 6 METALS

- **SKU** MAS-01638

\$14.95

Cubes for density experiments. 10mm. This set contains cubes of 6 different metals.

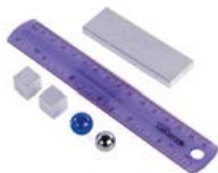

25MM DENSITY CUBES - 6 METALS

- **SKU** MAS-01637

\$39.95

Cubes for density experiments. 25mm. This set contains cubes of 6 different metals.

DENSITY KIT

- **SKU** 3131

\$24.95

Understand the density equation in no time! Includes, metal objects and a scale.

HYDROMETER, HEAVY LIQUIDS

- **SKU** 7-804-1

\$7.95

Measures the specific gravity of a liquid. Scale ranges from 1.0-2.0 in .01 increments.

MAGNESIUM RIBBON

- **SKU** MAS-02129

\$9.95

The highest quality magnesium ribbon, 31g. Approximately 0.5cm wide and 0.1mm thick.

NITINOL MEMORY WIRE - 30CM LENGTHS

- **SKU** MAS-01919

\$8.95

Stretch it out, and watch it return to its original shape when added to hot water!

ADDO - MAKE YOUR OWN SLIME KIT

- **SKU** MAS-02984

\$19.95

Everything you need to make slime! Even mixing bowls, stir sticks and storage pots.

ADDO - SLIME BUCKET 750G

- **SKU** MAS-02985

\$24.95

750g of colourful slime to splat, squish and squash! In a clear bucket with lid.

CHEM BIT - JELLY THINGS

- **SKU** MAS-01502

\$7.95

Make an interesting edible gel using nature's polymer alginic acid.

CHEM BIT - SUPER WATER ABSORBER

• SKU MAS-01835

\$7.95

This kit will introduce you to the concepts of absorbency, polymer, gel and osmosis.

CHRISTMAS SUPER PUTTY

• SKU MAS-02196

\$6.95

Snap it, bounce it, then mould and create your own Rudolph, Frosty or Santa.

CLEAR SLIME GLUE

• SKU HB088

\$19.95

This Clear Glue slime base makes the perfect slime, every time! Just add borax.

CRACKLE BAFF

• SKU MAS-02738

\$11.95

Magical popping dust powder that makes any bath a fun science and sensory experience.

CRYSTAL PUTTY

• SKU MAS-02947

\$7.95

Crystal putty is clear as glass and great fun. Stretch it, bounce it, peek through it!

DINOSAUR PUTTY

• SKU WATOY16DP

\$2.95

Time to get messy with super-stretchy putty! Comes in a dinosaur egg storage container.

DIY GLOW IN THE DARK PUTTY (POLYPLAY)

• SKU MAS-02427

\$5.00

Everything you need to make your own glow in the dark putty. Instructions included.

DIY HIGH BOUNCE BALL - MAKE YOUR OWN

• SKU 05019

\$4.95

Make 3 crazy bouncing balls with this great science experiment in just 3 minutes.

DIY JUMPING BALL (POLYPLAY)

• SKU MAS-02429

\$5.95

Everything you need to make your own super fun, super bouncy jumping ball.

DIY MAGIC SAND (POLYPLAY)

• SKU MAS-02428

\$5.95

Everything you need to make your own magic sand that stays dry in the water.

DETAILS

These colour-coded spring scales (or force-meters) measure weight by tension on the enclosed helical spring. Each is calibrated in both Newtons and grams with a beveled top for use on an inclined plane.

Each scale incorporates a zero adjustment, and is made with a clear plastic tube, allowing you to see the action of the spring. Complete with chrome plated hooks and rings, calibrated in both Newtons and grams.

Length of tube measures 160mm, with a 25mm diameter, available in different weights.

25W SOLDERING IRON STARTER SET

• SKU TS1652

\$39.95

The ideal starter package for young electronics enthusiasts or the home handyman.

CORK BORER, SET OF 12

• SKU CORK-BORER-12

\$29.95

Set of 12 cork borers that allow you to make uniform holes in stoppers and corks.

CORK BORER, SET OF 6

• SKU CORK-BORER-6

\$16.95

Set of 6 cork borers that allow you to make uniform holes in stoppers and corks.

CORK BORER, SHARPENER

• SKU CB-SHARP-1

\$24.95

Used to sharpen your cork borer to ensure a clean and precise cut every time.

DELUXE DE-SOLDERING PUMP

• SKU 060820

\$9.95

This deluxe, high-vacuum desoldering pump aids in the removal of liquid solder.

DE-SOLDER PUMP REPLACEMENT TIP

• SKU SP-4T

\$3.95

Replacement tip for Elenco's SP-4 Deluxe Desoldering Pump.

DIGITAL MULTIMETER

- **SKU** VICTOR-DT830D

\$9.95

Overload protected with an 8.5cm LCD display, seven functions and nineteen ranges.

ELENCO DIGITAL AC CLAMP METER

- **SKU** ST-1012

\$49.95

A hand-held current clamp ideal for safe electrical measurements and testing.

LABORATORY SCISSOR JACK S/STEEL 20X20CM

- **SKU** 7-9004

\$79.95

Securely raise lab equipment to your preferred height for easier experiments.

LABORATORY SCISSOR JACK, ENAMEL, 15X15CM

- **SKU** 7-9001

\$59.95

Securely raise lab equipment to your preferred height for easier experiments.

LABORATORY SCISSOR JACK, ENAMEL, 20X20CM

- **SKU** 7-9002

\$69.95

Securely raise lab equipment to your preferred height for easier experiments.

LABORATORY SCISSOR JACK, S/STEEL, 15X15CM

- **SKU** 7-9003

\$69.95

Securely raise lab equipment to your preferred height for easier experiments.

MOHRS PINCH CLAMP

- **SKU** MAS-01302

\$1.00

Spring type nickel-plated steel clamp for rubber or plastic tubing. Opens up to 16mm.

SOLDERING IRON 25W

- **SKU** TS1465

\$14.95

This economy iron has a stainless steel barrel and cool-grip impact resistant handle.

SOLDERING IRON STAND

- **SKU** MAS-01817

\$9.95

A general purpose stand for hobbyist soldering irons with a pressed metal base.

SOLDERING STATION 40W

- **SKU** TS1620

\$59.95

An ideal entry-level soldering station for the hobby user with anti-slip grip.

UNIVERSAL NI-CD/NI-MH BATTERY CHARGER

- **SKU** MAS-01820

\$27.95

Save and reuse batteries simply and quickly with this universal battery recharger.

AEROTROOPER PARACHUTE MAN

- **SKU** MAS-00205

 **\$8.95**

New glow-in-the-dark version made from genuine sail cloth which ensures smooth gliding.

AIR POWER CAR PROJECT KIT

- **SKU** KJ9025

 **\$9.95**

Includes parts and instructions for building a functioning air-powered car!

AIRZOOKA - AIR CANNON

- **SKU** AZ-2991

 **\$34.95**

Blast a harmless vortex of air up to 6 meters towards any object or person.

ALL ABOUT AIR - CLASSROOM KIT

• SKU 9860

\$74.95

Includes 32 x 2-meter windbags and an amazing 15-meter solar bag for air experiments.

BALLOON HELICOPTER

• SKU MAS-00012

\$2.50

Blow up the balloon, then toss this 'copter up and watch it soar! A fun science toy!

BALLOON RACER

• SKU QU-2590

\$7.95

Blow up the balloon using the cars exhaust pipe and watch it race across the floor!

BERNOULLI BAG, 4 PACK

• SKU MAS-01483

\$14.95

Demonstrate Bernoulli's principle and inflate a 2.4 meter bag with just one breath!

DIVING CARTESIAN JELLYFISH

• SKU MAS-01907

\$7.95

Squeeze a bottle of water with the floating Jellyfish, and watch it move up and down.

DIVING CARTESIAN OCTOPUS

• SKU MAS-00155

\$9.85

Watch the floating octopus dive to the bottom when the bottle is squeezed.

DIVING SUBMARINE

• SKU MAS-00050

\$8.50

A chemical reaction makes the submarine dive and automatically surface time and again.

EIN-O AIR SCIENCE SMART BOX

• SKU MAS-00361

\$17.95

Never under-estimate the power of air - 6 fun airy experiments for fun exploration.

FLEXIFLYER

• SKU MAS-01960

\$7.95

Bendable ring that allows you to throw any shape! Works like a regular frisbee.

FLOATING BALL GAME

• SKU MAS-01411

\$5.45

Just blow into the wooden-train pipe and watch the ball levitate in midair.

FLYING WING PROP TOP

• SKU HJ-2112

\$1.65

Slide the cap, rotate the blade, then quickly push up... Watch the blade fly sky high!

GALAXY BALLOON BALL

• SKU MAS-02437

\$7.95

A great big balloon that's out of this world, it inflates easily and plays like a ball.

GEEK & CO. SCIENCE: ULTRALIGHT AIRPLANES

• SKU TC-550014

\$34.95

Construct awesome flying gliders with ultralight plastic and bamboo parts.

HELI SPINNERS - COLOURFUL

• SKU MAS-01974

\$1.99

Spin it quickly between your thumb and forefinger, and watch it propel through the air!

HIGH FLYER

• SKU BMA144

\$7.95

Learn about wing design and how planes and other gliders use lift to stay in the air.

JR. SCIENTIST AIR ENGINE CAR AND HELICOPTER

• SKU EDU-62001

\$48.95

Make two exciting machines that use an engine which runs on the power of air.

LIQUIFLY DELUXE WATER POWERED ROCKET KIT

• SKU LQ-1000

\$44.95

This exciting kit contains everything you need to blast a rocket up to 30 meters high!

LIQUIFLY FIZZ ROCKET

• SKU LQ-6000

\$9.95

A classic bicarb and vinegar powered rocket that shoots high into the air!

OZI RANG BOOMERANG

• SKU BMA456

\$4.95

Watch this soft, foam boomerang circle out at 1.25 metres, then make its way back.

PAPER AEROPLANE KIT

• SKU MAS-02249

\$19.90

This retro-inspired package contains 60 designs to assemble and launch!

PARACHUTE ROCKET

• SKU MAS-00561

\$6.95

Launch the rocket into the air, then watch the parachute open to float it back down.

POPROCKET LAUNCHER SET

• SKU MAS-2276

\$19.95

Stomp on the air pump to shoot the rocket up to an incredible 30 meters!

POWERUP 2.0 ELECTRIC PAPER AIRPLANE CONVERSION KIT

• SKU MAS-01727

\$24.75

A kit to power your paper planes with electrical energy for maximum flying fun.

POWERUP 3.0 SMARTPHONE CONTROLLED PAPER AIRPLANE

• SKU MAS-02434

\$75.85

Transform ordinary paper planes into smartphone-controlled flying machines.

POWERUP 3.0- SPARE PARTS

• SKU MAS-01987

\$15.95

Spare parts kit with everything you need to maintain your Power Up 3.0.

REVOLUTION DISC

• SKU BMA864

\$7.95

This flying disc allows for vertical throws, backhands and forehands. 25cm and 180gms.

ROCKET BALLOONS - 6 PACK

• SKU FS030

\$3.50

Use the straw to blow up the balloon, then watch it whistle and weave through the air.

ROCKET REFILLS - 4 PACK

• SKU 23227R

\$9.95

4 replacement foam rockets that fit our Mini Speedy Rocket and Pop-Up-A-Rocket.

ROKIT - WATER ROCKET

• SKU MAS-00289

\$29.95

Launch a precision water rocket over 30 metres! Use it to demonstrate Laws of Motion.

SINGLE ROCKET BALLOON

• SKU MAS-02148

\$1.50

Put your rocket balloon on the launcher, pump it up and watch it weave through the air.

SOLAR BALLOON

• SKU MAS-00405

\$24.95

Watch as this ENORMOUS 15 metre solar balloon rises from the ground high into the sky.

TIMMY BIRD

• SKU MAS-00378

\$14.95

This incredible life-like bird can fly over 20 metres. No batteries or wires needed.

UFO BALLOON

• SKU HJ2555

\$3.95

Blow up this balloon and watch it grow into your very own UFO to fly through the air!

WICKED INDOOR BOOMA

• SKU WK40013

\$12.95

A short-range boomerang designed for endless indoor fun! Soft and easy to catch.

WICKED SONIC BOOMA

• SKU WK41287

\$19.95

A tri-blade boomerang with a 15-20 metre flight range. It whistles in flight too!

WIND UP AUSTRALIAN BUTTERFLIES

• SKU HJ-1050

\$4.95

Wind these beautiful paper butterflies up and watch them flutter through the air.

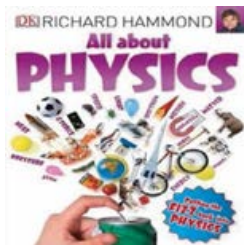

101 PAPER PLANES

- **SKU** HB004

\$13.95

Follow the step-by-step instructions to make amazing paper planes. No cutting, t

ALL ABOUT PHYSICS

- **SKU** MAS-02894

\$19.99

Former Top Gear presenter Richard Hammond explores fun physics! 96 pages.

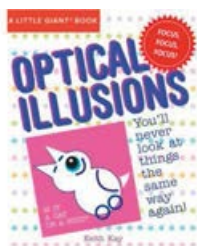

BEST EVER PAPER AIRPLANES

- **SKU** MAS-01589

\$12.95

Create 18 fabulous soaring, swooping airplane models, each named after a bird.

OPTICAL ILLUSIONS - A LITTLE GIANT BOOK

- **SKU** MAS-01590

\$9.95

What you see is not what you get! Enjoy the fascinating tricks of the eye and mind.

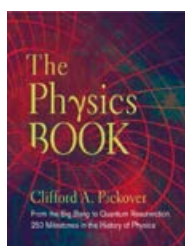

RICHARD HAMMOND'S BLAST LAB: BRIGHT IDEAS

- **SKU** MAS-00459

\$29.95

Perform extraordinary experiments with light and electricity. Includes LEDs and more.

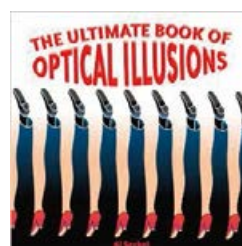

THE PHYSICS BOOK

- **SKU** 9781402778612

\$49.95

Richly illustrated chronology of physics. 250 entertaining, thought-provoking entries.

THE ULTIMATE BOOK OF OPTICAL ILLUSIONS

- **SKU** MAS-01768

\$19.95

An incredible collection of hundreds of the world's most powerful optical illusions.

1.5V ELECTRIC BUZZER

- **SKU** MAS-01918

\$3.95

This 1.5V electric buzzer is a fun and versatile addition to any electronics project.

2.5V MES GLOBES (100 PACK)

- **SKU** MAS-02208

\$24.95

2.5V globes with mini Edison screws. Pack of 100. Use them with/without globe holders.

3 LAMP BOARD, PARALLEL & SERIES

- **SKU** 7-1200-1

\$17.95

An easily convertible three lamp board with both parallel and series circuits.

3V ELECTRIC BUZZER

SKU MAS-02997

\$3.95

Create circuits or test batteries and solar cells with this buzzer. Includes leads.

4 PACK AA BATTERIES RAYMAX

• SKU MAS-00541

\$3.95

Add AA batteries to your order, so your Mad About Science gadget comes powered up.

4 PACK AAA BATTERIES RAYMAX

• SKU RM170228

\$3.95

Add AAA batteries to your order, so your Mad About Science gadget comes powered up.

5 LAMP BOARD, PARALLEL & SERIES

• SKU 7-1200-14

\$24.95

An easily convertible five lamp board with both parallel and series circuits.

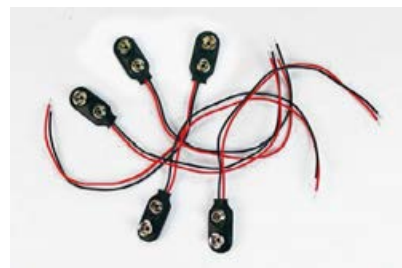

6V ELECTRIC BUZZER

• SKU MAS-01554

\$3.95

This 6.0v electric buzzer is a fun and versatile addition to any electronics project.

9V BATTERY SNAPS - 5 PIECES

• SKU MAS-01550

\$2.95

Five snaps for 9v batteries. Connect battery holders to bulbs, motors, and more.

9V RAYMAX ALKALINE BATTERY 1 PACK

- SKU MAS-00542

\$3.95

Add 9V batteries to your order, so your Mad About Science gadget comes powered up.

ALLIGATOR CLIP LEADS - 10 PACK

- SKU MAS-01811

\$9.95

400mm alligator clip leads for easily connecting electrical items. Pack of 10.

ALLIGATOR CLIP LEADS - 2 PACK

- SKU MAS-01265

\$2.75

Pack of two, 400mm alligator clip leads for easily connecting electrical items.

BATTERY HOLDER, 4 X AA, SIDE BY SIDE

- SKU MAS-02964

\$1.95

Holds 4AA cell batteries and features two 10cm leads (red and black for ease of use).

BATTERY HOLDER, 2 X AA

- SKU MAS-02962

\$1.95

Connect 3V power source to your project with this 2-cell AA battery holder with leads.

BATTERY HOLDER, 2 X AA WITH SWITCH

- SKU MAS-01656

\$2.95

Easily connect a 3V power source to your project with this 2-cell AA battery holder.

BATTERY HOLDER, 2 X AA, END TO END

- SKU MAS-02995

\$1.95

Holds 2 AA cell batteries and features two 10cm leads (red and black for ease of use).

BATTERY HOLDER, 4 X AA, BACK TO BACK

- SKU MAS-02996

\$1.95

Holds 4 AA cell batteries and features two 10cm leads (red and black for ease of use).

BATTERY HOLDER, 4 X AA, END TO END

- SKU MAS-01657

\$1.95

Quality battery holder holds 4 AA cell batteries and features two 10cm leads.

BATTERY HOLDER, C SIZE WITH LEADS

- SKU MAS-02246

\$1.55

Allows you to easily connect a 1.5V cylindrical C battery to your project.

BATTERY HOLDER, D SIZE

- SKU MAS-01276

\$1.95

Build a parallel or series power source from 1.5 to 6 volts with these battery holders.

BATTERY HOLDER, D SIZE WITH LEADS

- SKU MAS-02245

\$1.65

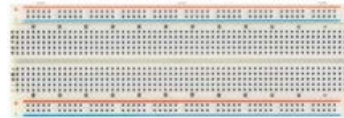

Allows you to easily connect a 1.5V cylindrical D battery to your project.

BATTERY HOLDER, D SIZE, METAL

- **SKU** MAS-01299

\$2.95

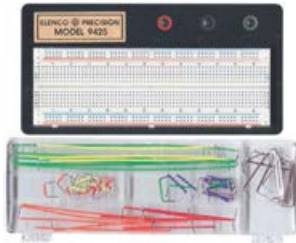

Aluminium D-size battery holder. Dimensions: 8.2cm(l) x 2.6cm(w) x 3.5cm(h).

BREADBOARD, 830 TIE POINTS

- **SKU** 9830C

\$12.95

Quality Elenco breadboard (or breadbox, protoboard) for circuit experimentation.

BREADBOARD, 830 TIE POINTS WITH JUMPER WIRE KIT

- **SKU** 9485WK

\$24.95

Model 9425 Breadboard bundled with JW70 Jumper Wire Kit. 830 test points.

BULB HOLDER - 100 PACK

- **SKU** 50187

\$32.95

Economical bulb holders. Compatible with all types of Edison screw torch bulbs.

BULB HOLDER SCREW IN

- **SKU** 7-1200-10

\$1.95

This 3.5cm diameter plastic bulb holder is ideal for light circuits. Bulb not included.

CIRCULAR SWITCH

- **SKU** MAS-02147

\$2.00

An engaging way to learn about switches in all kinds of electrical circuits.

CONTACT KEY SWITCH

- **SKU** 7-319

\$5.95

Open or close an electrical circuit. Ideal for experiments that need momentary current.

DC AMMETER, 0-1A, 0-5A

- **SKU** 7-1309-12

\$16.95

Easy to use, high-quality meter for measuring electric currents. Accuracy +/-2.5%.

DC AMMETER, 0-50MA, 500MA, 5A

- **SKU** 7-1309-13

\$16.95

Easy to use, high-quality meter for measuring electric currents. Accuracy +/-2.5%.

DC AMMETER, -20-0-100UA

- **SKU** 7-1309-2

\$16.95

Low cost, easy to use, high-quality meter for measuring electric currents.

DC VOLTMETER, 0-3V, 10V, 15V

- **SKU** 7-1309-18

\$16.95

Easy to use, high-quality meter for measuring voltage. Accuracy +/-2.5%.

DC VOLTMETER, 0-3V, 5V, 300V

- **SKU** 7-1309-19

\$16.95

Easy to use, high-quality meter for measuring voltage. Accuracy +/-2.5%.

LIGHT EMITTING DIODES, EXTRA LARGE

SKU	OPTION	PRICE
MAS-01654-Green	Green	\$0.60
MAS-01654-Red	Red	\$0.60
MAS-01654-Yellow	Yellow	\$0.60

Standard 5mm light emitting diodes (LEDs). Choose between yellow, red and green.

ELECTRIC CIRCUIT PAINT PEN

- **SKU** 9200-10

\$24.95

Handy and ingenious, this Electric Circuit Paint Pen draws circuits on paper.

ELECTRICAL WIRE CABLE, BLACK, 25 METRES

- **SKU** WH3001

\$13.95

Insulated electrical wire cable. 1mm thick. 25 meter roll. Black in colour.

MAGLEADS 30CM, 10 PACK

SKU	OPTION	PRICE
ML300-B	Black	\$39.95
ML300-R	Red	\$39.95

DETAILS

These leads fitted with powerful magnets are an easy way to complete electric circuits.

MES GLOBES (10 PACK)

SKU	OPTION	PRICE
MES-GLOBE-1.5V	1.5 Volt	\$4.50
MES-GLOBE-2.5V	2.5 Volt	\$4.50
MES-GLOBE-3.2V	3.2 Volt	\$4.50
MES-GLOBE-6.0V	6.0 Volt	\$6.95

DETAILS

Globes with mini Edison screws. Pack of 10. Use with 1.5 volt batteries.

ELECTRICAL WIRE, WHITE, 25 METRES

• **SKU** MAS-02122

\$13.95

White insulated electrical wire cable. Plastic coated. 1mm thick. 25 meter roll.

ELECTRICAL WIRE, RED, 25 METRES

• **SKU** MAS-02123

\$13.95

Red insulated electrical wire cable. Plastic coated. 1mm thick. 25 meter roll.

GALVANOMETER, -500.0,+500UA

• **SKU** 7-1309-20

\$16.95

Easy to use, high-quality ammeter for measuring electric currents. Accuracy +/-2.5%.

GLOBE HOLDER, MES, PLASTIC BASE

• **SKU** MAS-01298

\$2.40

Screw-in lamp holder designed for Mini Edison Screw (MES) type globes.

GLOBE HOLDER, MES, SPRING POSTS

• **SKU** 7-916

\$2.95

Features a mounted screw cap for a light bulb, and spring posts for a solid connection.

GLOBE HOLDERS, MES, 10 PACK

• **SKU** MAS-00067

\$3.95

Pack of 10 economical globe holders to suit MES E10 globes.

MINI BUSHES - 20 PACK

• **SKU** MAS-02042

\$12.95

A handy pack of 20 mini bushes with a diameter of 4mm, suitable for a 2mm axle shaft.

MOTOR, 4.5 TO 6 VOLT, WITH LEADS

• **SKU** 7-280-A

\$3.95

Small but powerful, get up to 11,500 RPM for hundreds of electrical experiments.

MOTOR, 4.5V

• **SKU** MAS-00493

\$4.50

A 4.5V motor that is compatible with our 500mA Solar Panel.

MOTOR, 9 VOLT

• **SKU** MAS-02212

\$3.95

Attach a propeller and two wires to make a cool battery powered fan.

MOTOR, FLAT, 1.5 TO 3 VOLT

• **SKU** MAS-00002

\$3.25

Attach a propeller and two wires to make a cool battery powered fan. Speed 12,000 rpm.

MOTOR, MINI

• **SKU** MAS-01264

\$2.20

Mini 2 volt DC motor ideal for running off solar cells or any battery.

MOTOR, MINI, LOW SPEED

• **SKU** MAS-01293

\$2.50

Ideal motor for slower moving, higher torque projects.

POWER SUPPLY - 2-12V AC/DC 5AMP - MINI PACK

• **SKU** MAS-01799

\$169.95

The IEC Mini Pack power supply is a robust unit designed for general laboratory use.

POWER SUPPLY - 2-12V AC/DC 5AMP - STANDARD

• SKU MAS-01800

\$169.95

The IEC power supply is a compact and robust unit designed for general laboratory use.

PRIMARY AND SECONDARY COIL

• SKU 7-1445

\$34.95

The perfect set for experimenting with transformer principles and induction.

RESISTANCE COILS

• SKU MAS-01731

\$8.95

Sturdy resistors in three different resistance values - 1 Ohm, 5 Ohms and 15 Ohms.

SOLAR PANEL 500MA 1.0V

• SKU MAS-00910

\$9.95

500mA 1.0V solar panel. Can be used for circuits powering motors or lights.

SWITCH, KNIFE TYPE

• SKU MAS-01295

\$2.10

A single pole, single throw switch with screw terminals for no-fuss connections.

SWITCH, KNIFE TYPE, DPDT

• SKU 7-915

\$5.95

Control the flow of electricity with this double pole, double throw knife switch.

SWITCH, KNIFE TYPE, SPDT

• SKU 7-913

\$4.95

Control the flow of electricity with this single pole, double throw knife switch.

SWITCH, KNIFE TYPE, SPRING POSTS, SPDT

• SKU 7-918

\$4.95

A single pole, double throw knife switch with spring posts for solid connections.

SWITCH, KNIFE TYPE, SPRING POSTS, SPST

• SKU 7-917

\$3.95

A single pole, single throw knife switch with spring posts for solid connections.

SWITCH, KNIFE TYPE, SPRING POSTS, DPDT

• SKU MAS-02706

\$5.95

A double pole, double throw knife switch with spring posts for solid connections.

SWITCH, KNIFE TYPE, SPST

• SKU 7-912

\$4.50

Control the flow of electricity and demonstrate the concept of circuit manipulation.

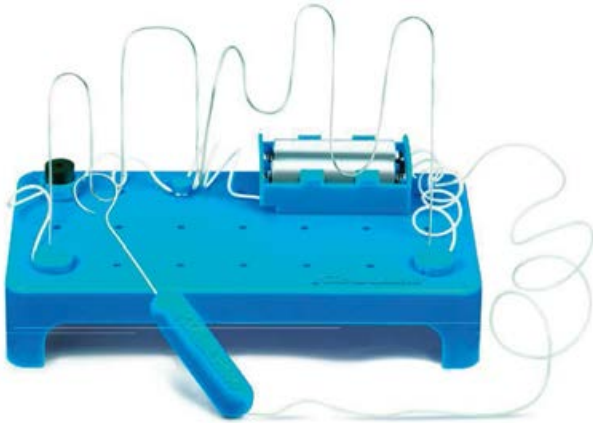

TEST LEAD, 4MM BANANA PLUG TO ALIGATOR CLIP, 100CM

• SKU BL-AL-100

\$4.95

Fitted with a stackable banana plug and small alligator clip. Red and black lead.

BUZZ WIRE MAKING KIT

- **SKU** 03232

\$25.95

Create your own exciting Buzz Wire game and learn how to connect an electric circuit.

CIRCUIT SCRIBE - MINI KIT

- **SKU** MAS-02270

\$24.95

Explore basic circuits by drawing conductive doodles, and making paper switches.

CIRCUIT SCRIBE BASIC - 11 PIECE KIT

- **SKU** MAS-02272

\$79.95

Use a unique conductive ink to draw electrical circuits on paper! 11 piece kit.

CIRCUIT SCRIBE CONDUCTIVE PEN

• SKU MAS-02385

\$39.95

Circuit Scribe uses a conductive ink for drawing electrical circuits with a pen!

CIRCUIT SCRIBE CONDUCTIVE PEN - 5 PACK

• SKU MAS-02386

\$165.00

Circuit Scribe uses a conductive ink for drawing electrical circuits with a pen!

CIRCUIT SCRIBE MAKER - 17 PIECE KIT

• SKU MAS-02271

\$119.00

Use a unique conductive ink to draw electrical circuits on paper! 17 piece kit.

CIRCUIT SCRIBE ULTRA

• SKU CS-KIT-ULTRA

\$169.95

Use unique conductive ink to draw electrical circuits on paper! Ultimate 32 piece kit!

CONDUCTIVITY OF SOLUTIONS

• SKU 7-310

\$19.95

Truly electrifying science! Observe increases and decreases in a liquid's conductivity!

CONDUCTIVITY OF SOLUTIONS CLASSROOM KIT

• SKU 6-1040-00

\$169.95

Explore non-conducting, moderately conducting and strongly conducting solutions.

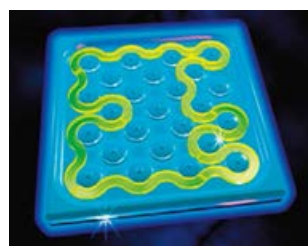

CONDUCTIVITY OF SOLUTIONS, PLASTIC JAR

• SKU 7-315

\$15.95

Observe increases and decreases in a liquid's conductivity! Comes with a plastic jar.

COOL CIRCUITS

• SKU NOR 013

\$39.95

Create circuits and activate flashing lights. 40 puzzles of increasing difficulty.

DC MOTOR KIT

• SKU 7-1858

\$19.95

A build it yourself model of a DC motor, for hands-on learning at its best.

ELECTROSCOPE - METAL CASE

• SKU 7-501-7

\$29.95

Anodized aluminum with removable glass plates. Learn about the science of induction.

ELECTROSCOPE ROD ASSEMBLY

• SKU 7-501-6

\$18.95

Aluminium leaves mounted on a metal rod held by a rubber stopper in a 250ml flask.

ELECTROSCOPE WITH PITH BALLS

• SKU 7-501-8

\$12.95

When a static charge is brought near the balls, they visibly react to the electricity.

ELECTROSTATIC FRICTION PAD, FAUX FUR, 24X28CM

• SKU 7-506-8

\$12.95

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION PAD, FAUX FUR, 75X125MM

• SKU 7-506-1

\$5.95

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION PAD, FLANNEL, 15X15CM

• SKU 7-506-5

\$2.50

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION PAD, REAL ANIMAL FUR, 75X125MM

• SKU 7-506-10

\$9.95

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION PAD, WOOL, 15X15CM

• SKU 7-506-3

\$2.95

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION PADS, SILK, 15X15CM

• SKU 7-506-2

\$4.95

Perfect for use with friction rods for conducting experiments on static electricity.

ELECTROSTATIC FRICTION ROD, ACRYLIC

• SKU EM1533

\$3.95

Create static electrical charge with this acrylic rod! Moulded with material marked.

ELECTROSTATIC FRICTION ROD, EBONITE

• SKU EM1543

\$6.95

Create static electrical charge with this ebonite rod! Moulded with material marked.

ELECTROSTATIC FRICTION ROD, GLASS

• SKU EM1553

\$3.95

Create static electrical charge with this glass rod! Moulded with material marked.

ELECTROSTATIC FRICTION ROD, POLYETHYLENE

• SKU EM1563

\$5.95

Create static electrical charge with this polyethylene rod! Moulded, material marked.

**ENERGY BALL**

• **SKU** 6580-00

\$6.95

An ingenious, inexpensive, fun device to teach and learn about electrical circuits.

**FRICTION ROD, HARD RUBBER**

• **SKU** 7-506-4

\$4.95

Perfect for use with a friction pad for conducting experiments on static electricity.

**FRUIT CLOCK**

• **SKU** MAS-01644

\$17.95

Curious device that uses the natural acidity of fruit to operate its electronic clock.

**HAND CRANK DC GENERATOR**

• **SKU** MAS-01263

\$14.95

Power mini motors, lights and other small electrical devices using muscle energy.

**HAND CRANK REPLACEMENT GEARS**

• **SKU** MAS-01294

\$1.10

One set of replacement plastic gears for the Hand Crank DC Generator.

**HODSON MOTOR KIT - SET OF 2**

• **SKU** MAS-01795

\$54.95

Assemble a motor and gain a complete understanding of its parts and how each works.

**LARGE LIGHTNING PLASMA BALL**

• **SKU** MAS-00264

\$59.95

Watch as the lightning jumps from the plasma to your fingertips against the glass.

**LEMON CLOCK**

• **SKU** MAS-00391

\$9.95

Discover the science behind batteries and make your own working lemon-powered clock.

**METAL DETECTOR WITH AUTO TUNE**

• **SKU** QP2302

\$89.95

A simple and reliable beginner's metal detector with auto tune to indicate metal types.

**METAL DETECTOR WITH BEEP ALERT**

• **SKU** EDU-36749

\$49.95

Begin your quest for valuables armed with this lightweight metal detector.

**MULTISENSE METAL DETECTOR**

• **SKU** EDU-36966

\$129.95

Explore the Earth's crust for forgotten treasures with this portable metal detector.

**PROFESSIONAL METAL DETECTOR WITH LCD DISPLAY**

• **SKU** QP2307

\$149.95

Ideal for beach-combing, prospecting, and finding objects in obscure locations.

SENSOR BALL

• SKU MAS-01905

\$12.95

It lights up and makes sounds when you complete the circuit with your hands.

SENSOR POWER STICK

• SKU SC181

\$19.95

Spark an interest in electricity and circuitry, learn about conductors including your own body.

SOLAR MOTOR AND GEARBOX KIT

• SKU 21-138

\$14.95

Build a cool gearbox and use a solar panel to power it! No tools required.

TESLA'S LAMP PLASMA BALL 15CM

• SKU HJ-1400

\$45.95

A colourful way of observing electrical discharges. The filaments follow your finger.

TRICK STICK

• SKU MAS-02167

\$32.95

Inflate the foil objects into 3D shapes and hold them in the air with a science wand!

TWIN MOTOR AND GEARBOX KIT

• SKU 21-131

\$14.95

Twin motor gearbox to power your projects and learn all about gears and motors.

USB PLASMA BALL

• SKU GE4089

\$19.95

Create dazzling lighting effects with this USB Powered Plasma Ball.

VAN DE GRAAFF GENERATOR, 300MM, 240V VARIABLE SPEED

• SKU MAS-02142

\$530.00

Explore static electricity with this 800mm tall hair-raising device. Wow Science!

VOLTAIC CELL

• SKU 7-1822

\$19.95

A primary cell demonstration! Comes with clear cup, two electrodes and nickel clamps.

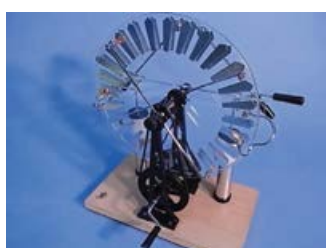

VOLTAIC PILE

• SKU MAS-02431

\$29.95

Follow in Volta's footsteps and create a model of the first electric battery.

WIMSHURST MACHINE

• SKU MAS-01943

\$220.00

An electrostatic generator that uses rotation to create high voltages.

WORLD'S SIMPLEST MOTOR

• SKU 10103

\$8.95

Make your own working motor and learn the fundamentals of how a motor works.

130-IN-1 ELECTRONIC PLAYGROUND & LEARNING CENTRE

• **SKU** EP-130

\$89.95

Learn about electronics with this comprehensive playground and learning centre.

200-IN-1 ELECTRONIC PROJECT LAB

• **SKU** MX-907

\$169.95

This mega all-in-one electronic learning centre includes no less than 200 experiments!

300-IN-1 ELECTRONIC PROJECT LAB

• **SKU** MX-908

\$249.95

This mega all-in-one electronic learning centre includes a bumper 300 experiments!

38+ PIANO LAB

• **SKU** 32038

\$79.95

Explore circuitry basics! Connect a doorbell, create digital music sound and more.

50 BASIC ELECTRONIC EXPERIMENTS

• **SKU** PK-101

\$24.95

Experiment with 50 electronics projects with this classic kit. Breadboard required.

50 BASIC ELECTRONIC EXPERIMENTS WITH BREADBOARD

• SKU PK-101B

\$39.95

Learn about the exciting world of electronics with this classic kit. 50+ experiments.

50-IN-1 ELECTRONICS PLAYGROUND

• SKU EP-50

\$59.95

Easily build over 50 electronic circuits, without the use of tools or soldering.

75-IN-1 ELECTRONIC PROJECT LAB

• SKU MX-905

\$89.95

This electronic lab is sure to spark your imagination with hours of fun and learning!

BASIC ELECTRONICS EXPERIMENTS WITH COMPUTER INTERFACE

• SKU PK-201

\$64.95

Turn your PC into an oscilloscope and spectrum analyzer with this unique kit.

CIRCUIT MAZE - ELECTRIC CURRENT LOGIC GAME

• SKU TN1008

\$69.95

Arrange the tokens to create a circuit that lights up the different colored beacons.

CLIP CIRCUIT ADVANCED LAB

• SKU HJ0180

\$49.95

The extra large version of our Clip Circuit Electro Lab. Includes 180 circuits.

CLIP CIRCUIT AIRBOAT

• SKU HJ-0030

\$19.95

All you need to build your own airboat, plus 3 additional electronics experiments.

CLIP CIRCUIT ELECTRO LAB

• SKU MAS-00025

\$36.95

Make working circuits with flashing lights, alarms, fans, electric sounds, and more.

CLIP CIRCUIT HELICA

• SKU MAS-01784

\$19.95

All you need to build your Helica, plus 3 additional electronics experiments.

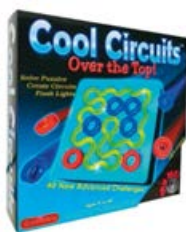

COOL CIRCUITS JUNIOR

• SKU MAS-01809

\$39.95

Join the 3D puzzle pieces into a complete circuit. Includes 40 puzzle challenges.

COOL CIRCUITS OVER THE TOP

- **SKU** MAS-03008

\$39.95

A fun game with 8 3D fluorescent circuit pieces and 40 puzzle cards!

ELECTRONIC ACTION KIT SET

- **SKU** MX-902

\$29.95

Learn the basics of electricity in an easy, safe and fun way. No soldering required.

ELECTRONIC GENERATOR ACTION KIT

- **SKU** MX-510G

\$9.95

Build your own generator with colourful plastic housing and components.

ELECTRONIC GENERATOR/MOTOR ACTION KIT

- **SKU** MX-902T

\$14.95

Explore electricity by building your own working motor and a generator to power it.

ELECTRONIC MOTOR ACTION KIT

- **SKU** MX-510M

\$9.95

Build your own working motor with colourful plastic housing and components.

ELENCO AM/FM RADIO KIT

- **SKU** MX-901AF

\$29.95

Build your very own working AM/FM Radio. Easy (but not too easy), fun and safe!

ELENCO CRYSTAL RADIO KIT

- **SKU** MX-901C

\$19.95

Make a radio that needs no batteries and picks up some local AM stations.

ELENCO SHORTWAVE RADIO KIT

- **SKU** MX-901SW

\$29.95

Learn about and build your own shortwave radio with this solderless electronic lab kit.

ELENCO SNAP CIRCUITS SNAP-MICRO I STANDARD

- **SKU** SCM-400

\$169.95

Learn about micro-controllers and how they are used in the world around us.

FIBRE OPTICS VOICE AND DATA KIT

- **SKU** FO-30K

\$59.95

Experiment and learn about fiber optics with this exciting science kit.

LIGHT STAX STARTER- 12 PIECE

• SKU MAS-01959

\$29.95

Beautifully illuminated construction blocks that use LED technology.

LITTLE BITS - GIZMOS & GADGETS KIT

• SKU MAS-02384

\$339.95

The ultimate invention toolbox transforms screen-time into a passion for inventing.

LITTLE BITS PRO LIBRARY

• SKU MAS-02111

\$7,399.00

32 inventors can work together with 304 Bits. Ideal for building projects in class.

LITTLE BITS SOUND TRIGGER

• SKU LBH811

\$24.95

The sound trigger Bit allows you to activate your circuit without even touching it.

LITTLE BITS WORKSHOP SET

• SKU MAS-02110

\$3,499.00

A gigantic set of 160 Bits (8 sets of 20 user favorites) and multiple accessories.

LITTLEBITS - 9V BATTERY & CABLE

• SKU LBH840

\$10.95

This package contains a 9V alkaline battery and a cable to connect it to the power Bit.

LITTLEBITS DC MOTOR (TETHERED)

• SKU 650-0142-001A1

\$47.50

Attach this DC motor to anything, and watch it spin! Tether accessories included.

LITTLEBITS HARDWARE DEVELOPMENT KIT

• SKU LBH009

\$79.95

Perfect kit to get you started on your up-and-coming electronics module prototype!

LITTLEBITS RULE YOUR ROOM

• SKU LB-680-0009-0000A

\$199.95

All you need to create amazing projects out of everyday items in your bedroom.

LITTLEBITS STEAM STUDENT SET

• SKU LBH847

\$549.00

Everything you need to engage up to 4 students and develop their 21st century skills.

LITTLEBITS WIRE BIT - CLOUDBIT

• SKU MAS-02470

\$154.95

With the CloudBit you can turn almost anything into an internet-connected device!

PRACTICAL SOLDERING PROJECT KIT

• SKU SP-3B

\$13.95

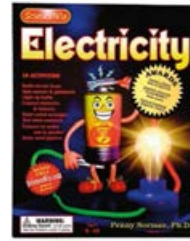

Improve your soldering skills with this great-value practice kit from Elenco.

**SCIENCE WIZ CHARGE**

- SKU 9781886978140

\$34.95

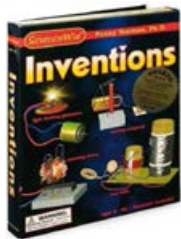

Deepen your understanding of electrostatics. 15 hair-raising activities in all!

**SCIENCE WIZ ELECTRICITY**

- SKU 188697800X

\$34.95

Over 18 electrifying experiments! Comes with 24 parts and a 40-page manual.

**SCIENCE WIZ INVENTIONS**

- SKU MAS-01456

\$34.95

Build models of clever inventions made with coils from the 19th and early 20th century.

**SNAP CIRCUITS 100 EDUCATIONAL VERSION**

- SKU SC-100R

\$69.95

100 electronic projects kit. With student and teacher guides, and a storage case.

**SNAP CIRCUITS 100 TO 300 UPGRADE KIT**

- SKU UC-30

\$49.95

Upgrade your Snap Circuits 100 kit and enjoy over 200 additional projects!

**SNAP CIRCUITS 100 TO 500 UPGRADE KIT**

- SKU UC-40

\$99.95

Upgrade your Snap Circuits 100 kit and enjoy over 400 additional projects!

**SNAP CIRCUITS 100 TO 750 UPGRADE KIT**

- SKU UC-60

\$149.95

Upgrade your Snap Circuits 100 kit and enjoy over 650 additional projects!

**SNAP CIRCUITS 300 EDUCATIONAL VERSION**

- SKU SC-300R

\$149.95

300 electronic projects kit. With student and teacher guides, and a storage case.

**SNAP CIRCUITS 300 ELECTRONIC EXPERIMENTS**

- SKU SC-300

\$89.95

Follow the concise manual to build over 300 exciting projects. 60+ parts.

**SNAP CIRCUITS 300 TO 500 UPGRADE KIT**

- SKU UC-50

\$69.95

Upgrade your Snap Circuits 300 kit and enjoy over 200 additional projects!

**SNAP CIRCUITS 300 TO 750 UPGRADE KIT**

- SKU UC-70

\$99.95

Upgrade your Snap Circuits 300 kit and enjoy over 450 additional projects!

**SNAP CIRCUITS 300 WITH COMPUTER INTERFACE**

- SKU SC-300S

\$119.95

Learn about electronics with this engrossing kit. 340+ creative electronics projects!

SNAP CIRCUITS 3D M.E.G

- SKU SC-3DMEG

\$94.95

Build 3D structures while learning the basics of electricity and engineering! 60 parts.

SNAP CIRCUITS 3DI

- SKU SC-3DI

\$84.95

Build dazzling 3D projects and light them up with this amazing electronics kit!

SNAP CIRCUITS 500 EDUCATIONAL VERSION

- SKU SC-500R

\$199.95

Explore electronic components and circuits in-depth with the SC-500 Snap Circuits Pro.

SNAP CIRCUITS 500 TO 750 UPGRADE KIT

- SKU UC-80

\$79.95

Converts Snap Circuits SC-500 into Snap Circuits SC-750. 7 new parts for 250 projects.

SNAP CIRCUITS 750 EDUCATIONAL VERSION

- SKU SC-750R

\$249.95

750 electronic projects kit. With student and teacher guides, and a storage case.

SNAP CIRCUITS ARCADE

- SKU SCA-200

\$89.95

Create over 200 different projects and more than 20 exciting arcade games!

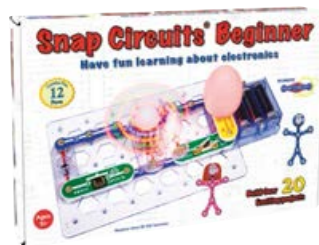

SNAP CIRCUITS BASIC ELECTRICITY

- SKU SCP-10

\$24.95

Build 9 different circuits with electronic blocks that simply snap onto a basegrid.

SNAP CIRCUITS BEGINNER

- SKU SCB-20

\$34.95

Have fun learning about electronics by creating over 20 exciting projects.

SNAP CIRCUITS DELUXE CASE

- SKU SNAPCASE8

\$79.95

Heavy-duty plastic case with 2 custom foam inserts for all your Snap Circuits parts.

SNAP CIRCUITS DELUXE RC SNAP ROVER

- SKU SC-ROV50

\$169.95

Have fun building your own RC Snap Rover with this quality kit. A total of 63 projects.

SNAP CIRCUITS DELUXE SOUND & LIGHT COMBO

- SKU SCC350

\$199.95

The ultimate tool for learning about electronics in a fun way. Nearly 400 projects.

SNAP CIRCUITS ELECTRO MAGNETISM

- SKU SCP-08

\$24.95

Learn about electromagnets in a powerful way with this high-quality kit from Elenco.

SNAP CIRCUITS EXTREME 750 EXPERIMENTS

• SKU SC-750

\$179.95

Build over 750 projects! Ultimate electronics learning fun at home or in the classroom.

SNAP CIRCUITS FLYING SAUCER

• SKU SCP-06

\$24.95

Snap together brightly-coloured electronic parts to build this cool flying saucer.

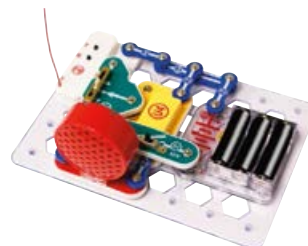

SNAP CIRCUITS FLYING SAUCER PLUS

• SKU SCP-09

\$24.95

More flying saucer fun! Fourteen exciting educational projects in one mini kit!

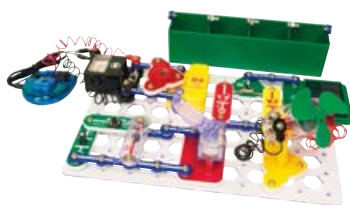

SNAP CIRCUITS FM RADIO

• SKU SCP-12

\$34.95

Snap the circuits together to build a working FM radio. Includes easy to follow manual.

SNAP CIRCUITS GREEN - ALTERNATIVE ENERGY KIT

• SKU SCG-125

\$99.95

Create no less than 129 electronic projects with 40 snap-together pieces.

SNAP CIRCUITS JR SELECT

• SKU SC-130

\$59.95

A complete snap kit with everything needed for over 130 circuit board experiments.

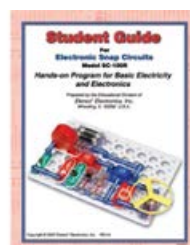

SNAP CIRCUITS JUNIOR 100 EXPERIMENTS

• SKU SC-100

\$49.95

Learn about electricity with the reusable circuit components. Award-winning kit.

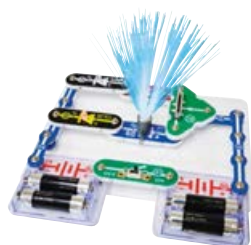

SNAP CIRCUITS JUNIOR STUDENT GUIDE

• SKU 753294

\$15.95

The perfect guide for Elenco's Snap Circuit enthusiasts. Includes 48 colour pages.

SNAP CIRCUITS LED FUN

• SKU SCP-11

\$24.95

Have fun, build and experiment with colourful LED lights through 11 hands-on projects.

SNAP CIRCUITS LIGHT

• SKU SCL-175

\$119.95

Everything you need to build an amazing light show powered by your MP3 player.

SNAP CIRCUITS MOTION DETECTOR

• SKU SCP-13

\$34.95

Build a working motion detector with laser sounds and flashing-lights.

SNAP CIRCUITS PRO 500 EXPERIMENTS

• SKU SC-500

\$129.95

A kit with 75 snap-together parts to build over 500 electrical projects.

SNAP CIRCUITS PRO 500 WITH COMPUTER INTERFACE

• SKU SC-500S

\$159.95

500+ electronics projects. Plus 73 bonus computer interfaced projects.

SNAP CIRCUITS RC SNAP ROVER

• SKU SC-ROV10

\$119.95

Now you can snap together a working remote controlled rover car with this cool kit.

SNAP CIRCUITS SNAPTRICITY

• SKU SCBE-75

\$59.95

Build over 75 projects related to everyday use of electricity and magnetism.

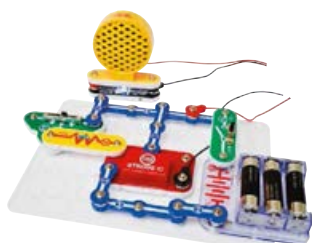

SNAP CIRCUITS SOUND

• SKU SCS-185

\$119.95

Build your own circuit boards and explore the audio world of circuitry and sound.

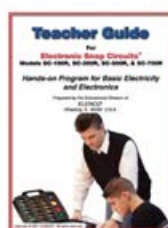

SNAP CIRCUITS STROBE LIGHT & SOUND

• SKU SCP-14

\$24.95

Open your eyes and ears as you learn all about mixing lights and sound!

SNAP CIRCUITS TEACHER GUIDE

• SKU 753290

\$10.95

Get the most learning out of your Snap Circuit kits with this comprehensive guide.

SNAP CIRCUITS WATER CLOCK

• SKU SCP-07

\$24.95

Build your own digital clock that runs on tap water or other household liquids.

SOLDER PRACTICE KIT

• SKU SP-1A

\$13.95

Acquire soldering skills and become familiar with a variety of electronic components.

SPY SCIENCE INTRUDER ALARM

• SKU 03246

\$21.95

Learn the science of circuits and build your very own kick wire door alarm.

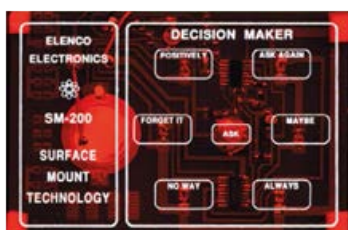

SUPER SECURE MONEY SAFE - BUILD YOUR OWN

• SKU MAS-00496

\$24.95

Build your own money safe while learning about electrical circuits and dial locks.

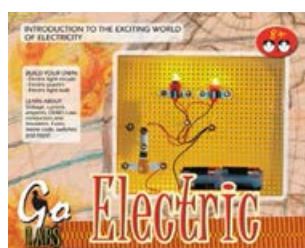

SURFACE MOUNT TECHNOLOGY SOLDER PRACTICE KIT

• SKU SM-200K

\$34.95

Learn about miniaturization through SMT and practice SMT component soldering.

TREE OF KNOWLEDGE - ELECTRICITY

• SKU EDU-2018

\$19.95

Build your own light circuits, electric puzzles and electric light bulb.

AMAZING MABORUN - BIG WHEEL

• SKU MAS-01687

\$29.95

Watch marbles race, climb and loop along the path, bringing physics to life.

BALANCE BIRD

• SKU AM-BB

\$6.95

It's all in the beak! Gravity and weight distribution is made truly captivating.

BIONIC ROBOT CLAW

• SKU MAS-00211

\$7.95

Grab objects with this robotic arm extension by squeezing the handle.

CLOWN STRING PUPPET

• SKU MAS-01415

\$24.95

Create your own circus number with this lovely, hand-painted marionette string puppet.

DISCOVERY PAK

• SKU 01200

\$19.95

Three classic science toys in one pack: a Gyroscope, Prism, and a Magna-Trix.

DOODLETOP

• SKU MAS-00319

\$4.95

A spinning top with a super twist - it DRAWS while it SPINS.

DOUBLE DOODLE TOP

• SKU MAS-00463

\$7.95

These spin tops DRAW while they SPIN. Two in one pack, for double the fun!

DRINKING BIRD

• SKU 934255900157

\$14.95

Once it starts, the bird won't stop drinking! Be amazed by this science classic.

EGGS UP! RUBBER BALL

• SKU 73559

\$3.95

Bouncing rubber ball that looks just like a real egg! Crazy random bounces!

EIN-O ELASTIC SCIENCE SMART BOX

• SKU 32623

\$17.95

A combination of chemistry and physics - learn about elastic science.

EIN-O PYRAMID SCIENCE SMART BOX

• SKU 32631

\$17.95

Explore the wonders of Ancient Egypt through six intriguing experiments.

EIN-O SCIENCE SPEEDY MARBLE LAB-TOP

• SKU 32263

\$16.95

Use this unique, fun kit to learn about friction, energy, water tension and more.

EIN-O SCIENCE STRETCHY ELASTIC LAB-TOP

• SKU 32266

\$15.95

Learn what makes rubber stretchy and explore potential and kinetic energy.

FLYING MONKEY

• SKU MAS-00060

\$12.95

Sling shot this screeching monkey into the air and watch him soar up to 15m.

GALT MARBLE RUN

• SKU MAS-01708

\$49.95

This kit allows many intricate build combinations. Perfect for the builder aged 4 to 8.

GRAVITY MAZE FALLING MARBLE LOGIC GAME

• SKU MAS-01704

\$49.95

All the fun of a marble run with a spatial and logical learning twist! 60 challenges.

GYROSCOPE REPLACEMENT STRING - 5 PACK

• SKU MAS-00498

\$4.95

Replacement strings for use with Original Tedco Gyroscope and Precision Gyroscope.

GYROSCOPE ROTATING PLATFORM

• SKU MAS-01836

\$44.95

Allows students to stand and freely rotate as they explore the giant gyroscope wheel.

GYROSCOPE, GIANT WHEEL

• SKU MAS-01834

\$179.95

Make your your next forces demonstration memorable with this giant gyroscope wheel!

GYROSCOPE, ORIGINAL TEDCO

• SKU 00006

\$12.95

Make your gyroscope do some astounding tricks and impress your friends.

GYROSCOPE, PRECISION

• SKU MAS-00379

\$14.95

A high-quality precision gyroscope at a great price. New and improved.

GYROSCOPE, SPACE WONDER

• SKU MAS-00138

\$19.95

Perform some cool tricks and gravity defying stunts with this sophisticated spin top.

HOBERMAN MINI SPHERE

• SKU MAS-00073

\$24.50

The original mini Hoberman toy that magically expands before your eyes.

HOBERMAN ORIGINAL SPHERE

• SKU MAS-00194

\$49.95

The original Hoberman toy that's now a classic and a favorite of kids and adults.

HOBERMAN TRANSFORMING MEGA MONSTER SPHERE

• SKU MAS-00220

\$199.95

Its HUGE! This Mega Monster Hoberman opens to 140 centimeters in diameter.

JACOB'S LADDER

• SKU MAS-02326

\$9.95

An enchanting toy that's perfect for young scientists learning about how objects move.

JACOB'S LADDER WITH HANDLE

• SKU WT147D

\$6.95

These cascading wooden blocks with a handle help develop hand-eye coordination.

KINETIC RINGS

• SKU BZ-0012

\$10.95

These kinetic rings will dazzle you as they roll up and down your arms like magic!

KOONTZ WALKING THE TIGHTROPE

• SKU MAS-01334

\$12.95

Build your own toy tightrope to discover the secrets of a successful balancing act.

LARGE FOUCAULT'S PENDULUM

• SKU HJ-6125

\$89.95

Create interest and harmony in any room with this 40cm diameter Foucault's pendulum.

LEVITRON SELF STARTER

• SKU MAS-00474

\$14.95

Take the frustration out of getting the amazing floating top to spin effortlessly.

LIGHT UP GYRO WHEEL

• SKU WW200

\$19.95

Perform some super-cool spinning and motion tricks with this groovy Gyro Wheel.

NEWTON'S APPLES, PACK OF 6

• SKU MAS-01485

\$49.95

Experience what a 1 Newton force feels like with these cute and clever apples.

POTATO GUN

• SKU MAS-00114

\$4.95

Use the gun to shoot soft, harmless potato pellets. Comes in great retro packaging.

RATTLEBACK

• SKU 56001

\$4.95

Give this little oddity a spin on its horizontal axis, and watch it stop, and reverse!

RATTLEBACKS, 10 PACK

• SKU MAS-01917

\$19.95

Spin this curious rattleback on a table and be amazed by the way it moves!

REPLACEMENT MARBLES - 30 PIECE BAG

• SKU 21000

\$5.95

A bag of 30 glass replacement marbles for our lovely Block and Marbles Super Set.

ROBOTIC HAND

• SKU MAS-00401

\$24.95

Create your own futuristic robotic human hand with realistic gripping movements.

ROLLING CAR

• SKU WT051

\$12.95

This vertical racing wooden car run demonstrates cause and effect through movement.

RUBBER BAND PADDLE BOAT

• SKU MAS-00123

\$9.90

Powered by energy stored in a rubber band, this wooden boat zips across the water.

SCRUNCH BUGGY - WIND UP CATERPILLAR

• SKU MAS-00127

\$3.95

This unique wind up simulates the movement of an inch worm or caterpillar.

SEISMIC ACCELERATOR

• SKU MAS-00375

\$19.95

The Multiple Collision Accelerator that works like a real Super Nova!

SLINKY, GIANT DEMONSTRATION SPRING

• SKU MAS-01830

\$22.95

Super-sized slinky for physics demonstrations. Can be stretched to 10m long!

SLINKY, GIANT RAINBOW PLASTIC

• SKU MAS-02419

\$22.00

It's the classic toy we all know and love - with a huge, colourful twist!

SLINKY, LARGE, 60X75MM

• SKU MAS-01923

\$12.95

Have fun and learn about how waves and springs function. Extends to 2m.

SLINKY, LONG SPRING, 150X75MM

• SKU MAS-01922

\$24.95

Have fun and learn about how waves and springs function. Extends to 9m!

SLINKY, ORIGINAL METAL COLOURED

• SKU PS8-111BL

\$14.50

The metal spring toy that loves to walk, bounce, bop and spring! Comes in 4 colours.

SLINKY, ORIGINAL METAL SLINKY

• SKU MAS-00197

\$9.95

The metal spring toy that loves to walk, bounce, bop and spring!

TEKNO HIGH BOUNCE BALL

• SKU BMA992

\$7.95

The ridged design give the Tekno the ability to change direction upon each bounce.

THE MAGIC SPRING

• SKU MAS-01477

\$5.95

A mini version of the classic slinky toy with metal construction.

TUMBLE 360

• SKU 71034

\$5.95

Watch it flip over and over, fixing itself every time! How many flips before it fails?

TWINKLERS FLASHING YO YO

• SKU MAS-00340

\$4.95

Perform all sorts of impressive tricks with this easy-to-use flashing yo-yo.

WATER SNAKE, CLOWN FISH

• SKU SEATO27WSCF

\$3.95

A silly, slippery Clown Fish Water Snake you'll have a blast trying to hang on to!

WATER SNAKE, PENGUIN

• SKU SEATOY28WSP

\$3.95

A silly, slippery Penguin Water Snake you'll have a blast trying to hang on to!

WHIRLY WHEEL

• SKU ww100

\$19.95

Experience centrifugal forces first-hand with this classic magnetic wheel toy.

WOODY WOOD PECKER

• SKU MAS-01405

\$4.95

Slide the bird to the top of the pole and watch him peck his way down to the bottom.

YOTECH - YOYO FLASH LIGHT

• SKU BMA429

\$12.95

The Flash' is of optimum weight, with a metal axis for ultimate yo-yoing balance.

ZERO-GRAVITY FRIDGE ROVER

• SKU MAS-00385

\$8.95

Wind-up the rover gears and let this car travel all over the surface of your fridge.

ALUMINIUM BALL, SOLID 18MM

• SKU MAS-02629

\$9.95

Perfect for a variety of collision, pendulum, motion and mass demonstrations.

ALUMINIUM BALL, SOLID 25MM

• SKU MAS-02628

\$12.95

Perfect for a variety of collision, pendulum, motion and mass demonstrations.

ALUMINUM OVERFLOW CAN

• SKU 7-1502

\$8.95

Made of seamless aluminum with a spout. Great for displacement and density experiments.

BALLISTICS CAR

• SKU 7-1600-9

\$44.95

An engaging demonstration of forward velocity. Comes with car and steel ball.

BEEspi-V

• SKU MAS-02479

\$79.95

Use the BeeSpi-V advanced photogate to measure freefall speeds, cars and velocities.

BELL JAR

• SKU MAS-02143

\$49.95

Used to contain vacuum. Made from durable lab-quality glass. Includes a glass stopper.

COMMUNICATING CAPILLARY TUBE SET

• SKU 3447-00

\$17.95

Demonstrate that capillary rise varies according to the inner diameter of a tube.

DYNAMICS CART, SET OF 2

• SKU 7-605

\$27.95

Two high impact plastic carts for crashing your way through the Laws of Motion.

ALUMINIUM BALL, SOLID

SKU	OPTION	PRICE
MAS-02629	18mm	\$9.95
MAS-02628	25mm	\$12.95

DETAILS

Perfect for a variety of collision, pendulum, motion and mass demonstrations.

FIRE SYRINGE, PNEUMATIC COMPRESSION IGNITOR

• SKU MAS-01732

\$19.95

Designed to provide a demonstration of the generation of heat by gas under compression.

FRICTION ON AN INCLINE PLANE

• SKU 7-811

\$69.95

Made of wood with a pulley attached to the incline. Comes with three different boards.

FULCRUM HOLDER

• SKU 7-150-1

\$19.95

A fulcrum lever to use as a pivot point for multiplying the effort applied to a load.

HALLS CARRIAGE

• SKU 7-799

\$19.95

Classic physics equipment. Built durable and includes a hole for cord and a cavity.

I-GAUGE WITH BEESPI V

• SKU MAS-02480

\$299.95

Built to accurately measure speed during even the trickiest experiments.

IMPACT CAR

• SKU 7-798

\$24.95

A nifty little vehicle that enables you to measure the force involved in a collision.

KNIFE EDGE CLAMP

• SKU 7-911

\$4.50

Create your own set of weights with precision using this metal clamp.

LARGE PRECISION GYROSCOPE

• SKU 7-792

\$44.95

Well balanced with adjustable bearings, large enough for class-room demonstrations.

LENZ LAW APPARATUS

• SKU MAS-01493

\$39.95

Drop the plugs through the copper tube and watch the stunning way each one falls.

LOOP THE LOOP APARATUS

• SKU 6451-44

\$44.95

Demonstrate conservation of energy with this looped aluminium channel on a wood base.

MAGDEBURG HEMISPHERE, PAIR

• SKU 3563-00

\$11.95

Are you strong enough to pull them apart!? Great demo of air pressure and vacuums.

MASS FORCE DEMONSTRATION

• SKU 7-1369

\$24.95

A simple device to demonstrate the concept of the inertia of a body at rest.

MULTIPURPOSE CART

• SKU R-5917J55

\$59.95

Experiment with motion! Features stainless steel wheels and a durable plastic body.

PASCAL'S PRINCIPLE DEMONSTRATOR

• SKU MAS-01492

\$14.95

Fill the tool with a liquid, push in the piston plug, and watch the water squirt out.

RUBBER VACUUM MAT

• SKU MAS-02483

\$64.95

Show your class how you can lift a table with air! Measures 30 x 30cm.

SECOND LAW OF MOTION APPARATUS

• SKU 7-1476

\$44.95

A unit with spring-loaded release arm that demonstrates motion. Comes with two balls.

SHOCK PENDULUM APPARATUS

• SKU 7-1600-4

\$79.95

Nylon pendulum with a tapered rubber insert. Great for momentum and trajectory demos.

SIMPLE CART

• SKU 7-793

\$14.95

Built durable with a cavity for mass to be added and a hole in the front for a cord.

STEEL BALL, SOLID

SKU	OPTION	PRICE
MAS-02634	12mm	\$0.95
MAS-02635	18mm	\$1.50
MAS-02633	25mm	\$2.50

DETAILS

Perfect for a variety of collision, pendulum, motion and mass demonstrations.

SPECIFIC GRAVITY CYLINDERS SET

- **SKU** 7-1867

\$18.95

Four equal volume cylinders for demonstrating density and specific gravity variations.

STEEL BALL, WITH HOLE 18MM

- **SKU** MAS-02632

\$8.95

Perfect for a variety of collision, pendulum, motion and mass demonstrations.

STUDENT FORCE TABLE

- **SKU** 7-1887

\$249.95

Perfect for studying force combinations! Includes slotted weights of differing mass.

VACUUM PLATE 25X25CM

- **SKU** 7-203-4

\$59.95

Thick rubber plate to demon the physical phenomena in coarse and fine vacuum ranges

VACUUM PUMP

- **SKU** MAS-01300

\$44.95

Hand-actuated vacuum pump with a quick-release valve. Can be used as a pressure pump.

VISCOSITY TUBE APPARATUS

- **SKU** 7-1821

\$89.95

Visual viscosity! Includes four tubes with different liquids, four balls and a magnet.

5 ROD HEAT CONDUCTOMETER

• **SKU** MAS-01490

\$19.95

Demonstrate various heat conductivity of five metals by observing the melting of wax.

BALL AND RING APPARATUS

• **SKU** 7-198A

\$18.95

Demonstrates heat-induced expansion and contraction. Wooden handles for safety.

BIMETALLIC COMPOUND BAR

• **SKU** 3320-00

\$9.95

A hands-on way to observe the expansion caused by heat in a range of metals.

CONVECTION OF LIQUID APPARATUS, GLASS FRAME

• **SKU** 7-303

\$12.95

A water and dye-filled glass frame for showing the path of convectional current.

CROOKES RADIOMETER

• **SKU** 01800

\$22.95

A great learning tool that helps your students understand how the thermodynamics.

EIN-O BASIC BOX KIT - HEAT

• **SKU** 32380-HEAT

\$10.95

This fun little kit is all about the properties of heat. 4 easy experiments included.

ELECTRIC CALORIMETER

• **SKU** 7-304-2

\$19.95

Everything you need to determine the electrical equivalent of heat in just minutes.

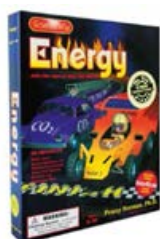

HEAT TRANSFER KIT

• **SKU** 3122

\$59.95

Science is hot! Observe and measure heat loss and gain with this unique learning kit.

SCIENCE WIZ ENERGY

• **SKU** MAS-01467

\$34.95

Quality 30+ piece energy education kit. Includes a solar cell, buzzer, and two motors.

SCIENCE WIZ HEAT & TEMPERATURE

• **SKU** MAS-02959

\$39.95

Materials and instructions for over 30 heat and temperature experiments!

SOLAR FURNACE

• **SKU** 4701

\$199.95

Behold, the power of the sun! Concentrate solar energy with this 30cm parabolic dish.

STEAM GENERATOR

• **SKU** 7-1873

\$49.95

Learn about thermal energy and the versatility of steam with this fantastic generator.

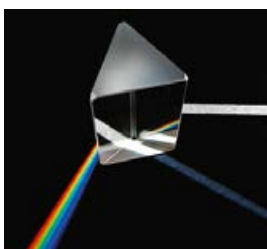

GEO MIRROR

- **SKU** 17103

\$4.95

Clearly reflects images for lessons on symmetry, congruency, lines and planes.

GLASS PRISM

- **SKU** MAS-00065

\$8.95

Turn light into a colourful rainbow using this prism made from high quality glass.

HINGED MIRRORS - 3 PIECE SET

- **SKU** 11657

\$17.00

Single-sided 3mm plastic mirrors taped together to enable creative angled reflections.

LARGE LIGHT CRYSTAL PRISM

- **SKU** 00011

\$24.95

This unique acrylic prism splits white light into a rainbow spectrum. 11.4cm long.

LENS & PRISM SET, GLASS, 7 PIECE

- **SKU** 7-909-82

\$59.95

Glass prisms and lenses in a range of sizes and focal lengths for experiments on light.

LENS NEUTRALIZATION SET

- **SKU** 7-909-20

\$5.95

A double concave and a double convex lens, each with a focal length of 15cm.

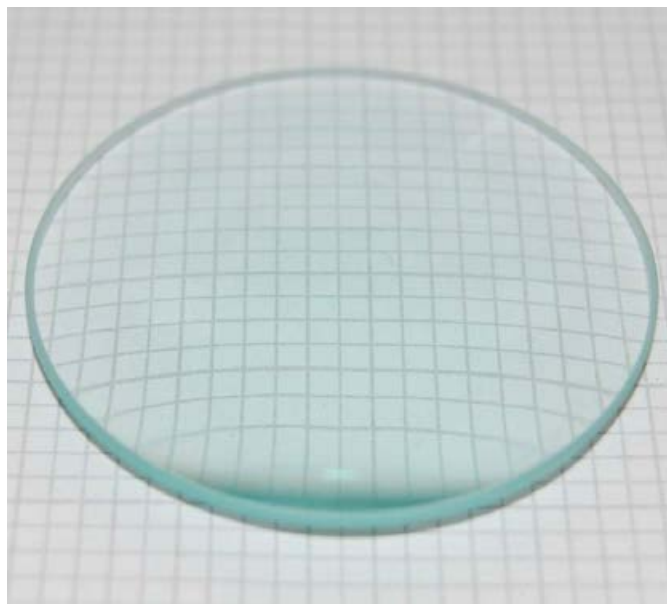

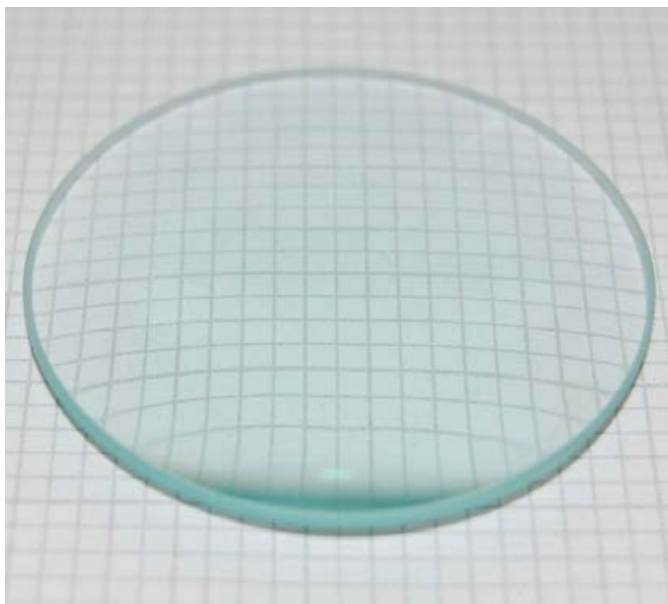

LENS SET 38MM, SET OF 6

- **SKU** 7-909-13

\$14.95

A set of six different lenses: bi-convex, bi-concave, prisms, blocks and more.

LENS SET 50MM, SET OF 6

• **SKU** 7-909-14

\$19.95

A set of six different lenses: bi-convex, bi-concave, prisms, blocks and more.

LENS, FRESNEL, 25 FRAMES

• **SKU** 7-909-66

\$5.95

The Fresnel Lens has the ability to duplicate the optical effect of a very thick lens.

LENS, LARGE FRESNEL, 25X25CM

• **SKU** MI-FRL-250

\$24.95

Large fresnel lens. Fits on overhead projectors for use in the classroom. 25 x 25cm.

LENSES, SET OF 6, MIXED FOCAL LENGTH

• **SKU** MAS-01996

\$29.95

Wooden box with 6 biconvex lenses. Each lens is 50mm diameter, varying focal lengths.

LIGHT CRYSTAL PRISM

• **SKU** 00010

\$12.95

Create mysterious prismatic effects with this high quality 6.4cm acrylic prism.

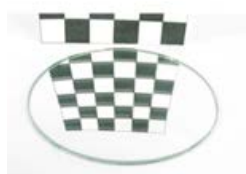

MATHS MIRROR

• **SKU** 10226

\$8.95

A tool for measuring length, angles and discovering shapes, symmetry and congruence.

MIRROR, CONCAVE/CONVEX, 7.5CM

• **SKU** 7-1301-N

\$8.95

Double side glass mirror, one side convex, and one side concave. Silver backing. 7.5cm.

MIRROR, GLASS 100X100MM

• **SKU** 7-1301-E

4M LIGHT KALEIDOSCOPE

• SKU 0003382

\$32.95

Even the smallest Kaleidoscope movements create some of the most incredible visuals.

BATTERY POWERED STROBE LIGHT

• SKU MAS-01686

\$9.95

A portable LED strobe light powered by 3 x AA batteries. Contains 5 LED lights.

BLACK LIGHT SCIENCE

• SKU MAS-01904

\$29.95

Flick on a black light and uncover a whole new world only visible under UV light.

BLACK-LIGHT BULB - ENERGY SAVING

• SKU MAS-00442

\$15.95

Turn the room into a glowing science party with this energy saving Black Light Bulb.

CHEM BIT - SPECTATOR

• SKU MAS-01497

\$7.95

Learn about the behaviour of light. Contains two rainbow diffraction glasses.

CHRISTMAS STAR PROJECTOR WITH SOUND MACHINE

• SKU MAS-01931

\$29.95

Turn your room into a changing array of colourful stars and play fun Christmas tunes.

CHROMATOGRAPHY EXPERIMENT KIT

• SKU HJ-4203

\$29.95

Explore the colourful world of chemistry with this kit. Includes six experiments.

COLOUR BLINDNESS VISION TESTING BOOK

• SKU MAS-01793

\$40.00

Have fun testing your eyes with this book full of glossy, high-quality illustrations.

COLOUR MIX SPIN TOP

• SKU MAS-01414

\$3.95

Snap on any of the four coloured discs and watch the patterns and colours change.

COLOURFUL KALEIDOSCOPE

• SKU MAS-02202

\$4.95

Learn about the science of light and reflection with this great value kaleidoscope.

D.I.Y KALEIDOSCOPE SET

• SKU MAS-01567

\$19.95

Everything you need to construct your own kaleidoscope. Play and learn with light.

EXPLORER'S LAMP - ULTRA BRIGHT LED

• SKU MAS-01517

\$17.95

Fits comfortably around the head and provides a hands-free light source.

FIBRE OPTIC LAMP

• SKU 33021

\$6.95

Watch the energy of light travel through multiple semi-flexible thin fibers.

FLUORO UV ACRYLIC PAINT

• SKU MAS-00487

\$9.95

Bright acrylic paint that fluoresces under Ultra Violet light. Cool!

FLY'S EYE SCOPE WITH ROTATING HEAD

• SKU MAS-00478

\$4.29

See what the world looks like to a fly and be amazed at the weird and wonderful view.

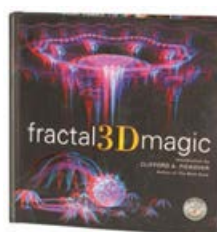

FLY EYE SPECS

• SKU MAS-03044

\$8.50

Featuring golden eyes with multi-faceted lenses for a weird funky focus, just like a bug's eyes!

RACTAL 3D MAGIC

• SKU 9781454912637

\$29.99

A rare glimpse into the dazzling world of computer-generated fractal art.

GEEK & CO CRAFTS: 3D SIDEWALK CHALK

• SKU TC-553002

\$24.95

Draw pictures on the sidewalk, and use 3D glasses to make them pop off the ground.

HANDISCOPE

• SKU MAS-01988

\$14.95

The ultimate portable magnification tool for scientists on-the-move! 30x magnification.

HOLOGRAM PROJECTOR

• SKU FSG3394

\$24.95

An amazing hologram projector that comes with 8 slides like a dinosaur and race car!

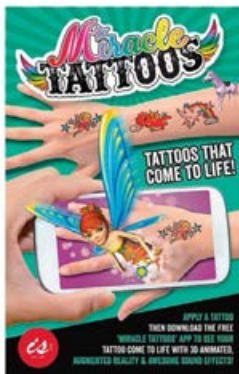

ILLUSION SCIENCE

• SKU JE608020

\$24.95

Learn the science secrets behind optic tricks and illusions! 20+ fun optic activities.

MIRACLE TATTOOS

Dress up your nails with these UV Stick-On Wraps that change colour in the sun!

UV SHOELACES - COLOUR CHANGE

• SKU MAS-00651

\$6.95

No ordinary shoe laces - put them in sunlight and these funksters change colour!

UV TORCH, 100 LED, 395NM BLACK LIGHT

• SKU MAS-02286

\$34.95

Large, super-bright 100-LED handheld black light ideal for UV and glowing experiments.

UV TORCH, 21 LED, 395NM BLACK LIGHT

• SKU MAS-00235

\$16.95

Ultra-bright and efficient 21-LED torch. Small enough to fit in your pocket or purse.

UV TORCH, 51 LED, 365NM BLACK LIGHT

• SKU MAS-02217

\$49.95

This 51-LED black light torch has a short 365 nm UV wavelength. includes a wrist strap.

UV TORCH, 51 LED, 395NM BLACK LIGHT

• SKU MAS-00567

\$24.95

Use this super-bright 51-LED hand-held black light for UV and glowing experiments.

UV TORCH, 9 LED, 365NM UV BLACK LIGHT

• SKU MAS-00568

\$34.95

9-LED black light torch with short 365nm UV wavelength. Handy wrist strap included.

UV TORCH, 9 LED, 395NM BLACK LIGHT

• SKU MAS-01833

\$8.95

Brighten-up UV colour change beads, fluoresce glow-in-the-dark objects, and much more.

UV/FLURO - FACE PAINT STICKS

• SKU 1PFPSTNE

\$15.95

Create bright neon face designs for daytime wear that turn into glowing masks by night.

VIRTUALITY VR GLASSES

• SKU 84059

\$19.95

Download any compatible VR App, insert your smartphone and be transported! 360 degrees.

WHEELERS FIBRE OPTIC LAMP

• SKU HJ-1402

\$20.95

Light up the room with a fibre optic lamp that glitters, shines, and changes colour.

ACRYLIC COLOR FILTERS, 50X50MM, 5 PACK

- **SKU** 7-1404-12

\$8.95

A set of five acrylic filters to enable exploration and manipulation of colours.

BASIC SPECTROMETER

- **SKU** 7-1928

\$399.95

Quality optical system with adjustable collimator tube, telescope, and prism stand.

COLOUR PADDLES - 6 PIECE

- **SKU** 51230

\$6.95

Set of plastic colour viewers in 6 colours: red, green, blue, purple, yellow, orange.

COLOUR PADDLES - SET OF 18

- **SKU** MAS-02131

\$18.95

Three sets of 6 textured, coloured paddles. Layer them to create new colors!

GELATIN COLOR FILTERS, 100X100MM, 5 PACK

- **SKU** 7-1404-9

\$9.95

A set of five gelatin filters to enable exploration and manipulation of colours.

HODSON LIGHT BOX & OPTICAL SET

- **SKU** MAS-01801

\$125.00

Perform refraction, reflection, colour, and colour mixing experiments with ease.

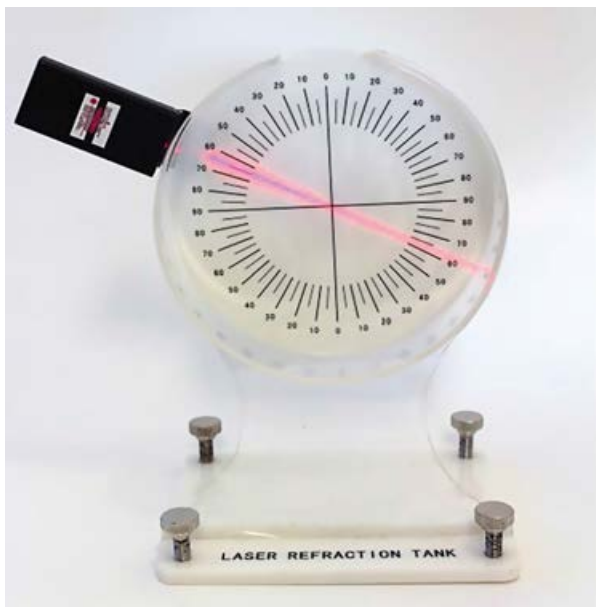

HODSON LIGHT BOX WITH SLIT FORMERS

- **SKU** MAS-01796

\$69.95

This quality light box gives you a reliable source of light for your experiments.

LASER REFRACTION TANK WITH LASER

- **SKU** 6330-00

 **\$129.95**

Self-contained unit to measure and study the refraction of light. Batteries included.

LIGHT ENERGY KIT

- **SKU** 3981

\$199.95

Enlighten students on light with this kit that provides 18 engaging activities.

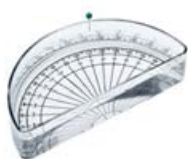

NEWTON'S COLOR DISC, HAND OPERATED

- **SKU** MAS-02910

\$54.95

Demonstrate how white light is made up of 7 colours, all with the spin of the disc!

REFRACTION CUP

- **SKU** 3350-20

\$5.95

Plastic cell for observing the reflective properties of liquids. 120mm diameter.

SPECTROSCOPE KIT

- **SKU** 3091

\$9.95

A tubular instrument used to observe colour separation and light's prismatic qualities.

SPECTROSCOPE KIT, SET OF 15

- **SKU** 3093

\$89.95

A set of 15 spectroscopes to observe colour separation and light's prismatic qualities.

STROBOSCOPE, HAND WHIRLING

- **SKU** MAS-01831

\$54.95

This value strobo-scope assists in teaching complex physics concepts. 26cm in diameter.

ALNICO MAGNET KIT

- **SKU** 731009

 **\$29.95**

A kit for exploring the strength of different magnets and viewing magnetic fields.

ANTI GRAVITY MAGNETIC LEVITATION

- **SKU** MAS-00619

\$34.95

Defy gravity in more ways than one with this bumper levitation kit. 7 fun projects.

CERAMIC MAGNET KIT

- **SKU** 731022

\$9.95

An assortment of ceramic magnets and a compass for hands-on learning.

CLASSROOM ATTRACTIONS LEVEL 1

- **SKU** 731301

\$129.95

Give your preschool or lower primary science program a boost. Enthuse and engage.

CLASSROOM ATTRACTIONS LEVEL 2

- **SKU** 731302

\$129.95

Give your lower or middle primary science program a boost. Enthuse and engage.

CLASSROOM ATTRACTIONS LEVEL 3

• SKU 731303

\$179.95

All the materials you need to engage upper primary or lower secondary students.

DELUXE MAGNET SET - 24 PIECE

• SKU TS-7367

\$21.90

This deluxe set contains 23 magnets and a set of paper clips for pick-up play.

FLOATING TRAIN - MAGNETIC LEVITATION

• SKU FS633

\$99.00

You won't believe your eyes when this magnetic levitation train flies around its track.

GALT MAGNETIC SHAPES

• SKU 1003244

\$24.95

Use colourful magnetic shapes to create any number designs on the metallic tray.

GEOMAG MAGICUBE STARTER KIT

• SKU GEO136

\$19.95

Four colourful magnetic cubes that teach all about the magic of building!

GEOMAG MECHANICS 86 PCS

• SKU GEO721

\$59.95

Magnetic pieces and mechanical elements for building amazing machines!

GEOMAG MECHANICS COMPASS 21 PIECE

• SKU GEO718

\$14.95

A complete set with detailed instructions for building your very own compass!

GEOMAG PANELS 114 PIECE

• SKU GEO463

\$99.95

Set of geometric shapes that magnetically connect at vertices to make amazing designs!

GEOMAG PANELS 32 PIECE

• SKU GEO460

\$29.95

Set of geometric shapes that magnetically connect at vertices to make amazing designs!

GEOMAG PANELS 83 PIECE

• SKU GEO462

\$79.95

Set of geometric shapes that magnetically connect at vertices to make amazing designs!

GEOMAG PRO-L 174 PIECE

• SKU GEO025

\$129.95

A magnetic construction set with super strong magnets. Polarity indicated on rods.

MAGICUBE FRUIT

• SKU GEO131

\$22.95

A set of four magnetic cubes that can be arranged to form six different fruits!

MAGNET SCIENCE

• SKU 03291

\$25.95

Perform lots of fun experiments and learn about magnetism with this comprehensive set.

MAGNET SET - 8 PIECE

• SKU MAS-00092

\$11.50

Discover the fun and science of magnets! Includes eight magnets and five paperclips.

MIGHTY MAGNET SET - 11 PIECE

• SKU TS-7372

\$21.95

Brightly colored magnet set great for introducing young scientists to magnetism.

SCIENCE DISCOVERY KIT: ELECTROMAGNET

• SKU 731102

\$54.95

Learn about electromagnetism as you build chimes, buzzers, a motor and more.

SCIENCE DISCOVERY KIT: MAGNET LEVITATION

• SKU 731100

\$49.95

Experiment with gravity and magnetic fields while building your own levitating train.

SCIENCE DISCOVERY KIT: MAGNETS IN MOTION

• SKU 731103

\$49.95

Explore the wonders of magnets with five hands-on projects and experiments.

SCIENCE WIZ MAGNETISM

• SKU NOR 012

\$34.95

Explore the magic of magnetism. Two stages of experiments: beginning and advanced.

SIMPLY SCIENCE MAGIC BULLET TRAIN

• SKU SS100

\$39.95

Everything you need to construct a track and custom levitating train.

SUPER MAGNET CLASSROOM LAB KIT

• SKU LER2064

\$49.95

A 124 piece set that provides everything you need to get attracted to magnetic power.

SUPER SCIENCE MAGNET KIT

• SKU 731201

\$44.95

Everything a junior scientist needs to learn about the science of magnetic force.

THAMES & KOSMOS: MAGNETIC SCIENCE

• SKU TC-665050

\$59.95

Explore the invisible, amazing power of magnets with 33 engaging experiments and games.

VERY FIRST MAGNET KIT

• SKU 731200

\$39.95

Everything needed for learning about the science of magnets, built for little hands.

100 METAL RIMMED COUNTING CHIPS

• **SKU** BC100

 **\$12.95**

Counting, sorting and playing pretend - these counting chips are multi-purpose fun.

3D MAGNETIC FIELD DEMONSTRATOR

• **SKU** MAS-01627

 **\$39.95**

3D visualisation of the magnetic fields that surround a bar and horseshoe magnet.

500 METAL RIMMED COUNTING CHIPS AND 2 MAGNETIC WANDS

• **SKU** 736730

 **\$49.95**

Two wands and 500 counting chips for exploring the power and properties of magnets.

75 COUNTING CHIPS WITH BLOCK MAGNET

- **SKU** 736608

\$12.95

Create circuits or test batteries and solar cells with this buzzer. Includes leads.

ADHESIVE MAGNET DOTS, 100 PCS

- **SKU** 735007

\$9.95

These adhesive magnet dots feature strong adhesive backs and light holding power.

ADHESIVE MAGNET STRIP, 3M

- **SKU** 735003

\$9.95

Flexible and versatile, this strip is perfect for crafts, photos, or getting organized!

ADHESIVE MAGNET STRIP, 75CM

- **SKU** 735002

\$4.00

Flexible and versatile, this magnetic strip can be cut to size for any project. 75cm.

ADHESIVE MAGNET STRIP, 75CM, 3 PACK

- **SKU** SA614

\$9.95

Flexible and versatile, this magnetic strip can be cut to size. 75cm. Set of 3.

ASSEMBLE YOUR OWN COMPASS

- **SKU** MAS-02432

\$29.00

Adventures await, and this kit that will help you build the compass to find them.

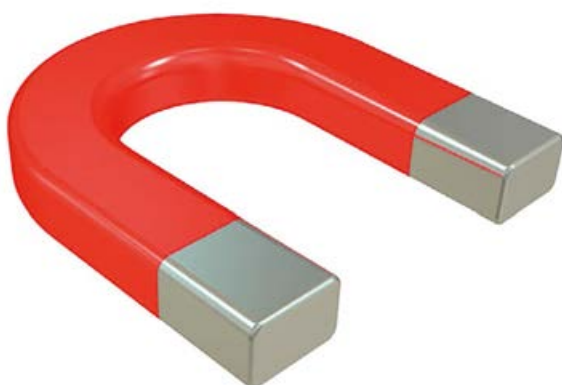

ALNICO BAR MAGNETS

SKU	OPTION	PRICE
EM0293-01	50mm	\$12.95

MG-HS-AL75	75mm	\$13.95
EMO0453-01	100mm	\$14.95
MG-HS-AL150	150mm	\$19.95

DETAILS

Economical Alnico Horseshoe Magnet, with keeper. Size: 150x15x10mm.

BIG BLOCK MAGNETS, SET OF 5

• **SKU** 710D-5PACK

\$9.95

Chunky, sizable block magnets in coloured plastic for engaging learning environments.

BIG BUTTON MAGNETS, SET OF 5

• **SKU** 711D-5PACK

\$9.95

Safe, colourful magnets designed to bring learning and order to any environment.

CHROME STEEL BAR MAGNETS

SKU	OPTION	PRICE
MG-B-CS-50mm	50mm	\$6.95

SKU	OPTION	PRICE
MG-U-CS-X-75mm	75mm	\$7.95
MG-U-CS-X-100mm	100mm	\$8.95
MG-U-CS-X-150mm	150mm	\$9.95

DETAILS

Chrome steel u-shaped magnet, perfect for experiments and demonstrations.

CERAMIC 2CM ROUND MAGNETS - 10 PACK

• **SKU** MAS-01561

\$2.50

Pack of 10 round ceramic magnets for all your science and construction projects.

CERAMIC DISK MAGNETS, SET OF 10

• **SKU** 735011

\$8.95

Use these colorful and strong disc magnets in the classroom, at home or in the office.

COMPASS - STAINLESS STEEL

• SKU HJ-2133

\$10.95

High quality stainless steel compass with glow-in-the-dark direction markings.

COMPASS, 40MM, METAL BASE

• SKU MAS-01527

\$3.95

Pocket-sized 40mm magnetic compass with metal base and clear plastic top and sides.

COMPASS, 45MM, PLASTIC BASE

• SKU MAS-00823

\$3.50

Pocket-sized 45mm magnetic compass with plastic base and clear plastic top and sides.

COMPASS, FLIP-TOP

• SKU MAS-00471

\$5.95

A basic compass with a flip-top to protect the face against scratches.

COMPASS, ORIENTEERING

• SKU MAS-01253x

\$8.95

If you're serious about orienteering, this is the premium compass you need.

FERRITE BLOCK MAGNET

• SKU MAS-00144

\$1.60

Strong and economical uncoated ferrite block magnet. Pull strength of 1.36kg.

FLAT NEODYMIUM MAGNET

• SKU MAS-01900

\$6.95

Flat neodymium magnet - 10 x 3 x 20mm, with a powerful neodymium energy rating of N48h.

GIANT HORSESHOE MAGNET

• SKU HS01

\$12.95

Perfect for little hands and large imaginations, this horseshoe magnet is 20cm long.

GIANT MAGNETIC POLE MARBLES - 4 PACK

• SKU TFC51084

\$12.95

Four colour-coded giant pole marbles clearly marked N and S for easy identification.

IRON FILINGS FINE, 500 GRAMS

• SKU MAS-00660

\$14.95

Ultrafine iron particles great for showing the direction of a magnetic field. 500 grams.

IRON FILINGS ULTRA FINE - 80 GRAMS

• SKU MAS-00659

\$7.95

Ultrafine iron particles great for showing the direction of a magnetic field. 80 grams.

IRON FILINGS, COARSE, 500 GRAMS

• SKU MAS-02998

\$14.95

Iron filings, 500 grams, in a screw top plastic container. Magnet not included.

MAGNETIC WAND

SKU	OPTION	PRICE
7-1258-O	Orange	\$3.95
7-1258-V	Violet	\$3.95
7-1258-Y	Yellow	\$3.95

DETAILS

Magnetic wand, 20cm long. Available in an assortment of brilliant colours.

IRON FILINGS, SET OF 5

• SKU LER0802

\$39.95

Iron filings inside plastic blocks to demonstrate magnetism without the mess. Set of 5.

MAGNA GLASS - MAGNETIC SAND

• SKU HJ-6110

\$29.95

A lovely hourglass filled with iron filings, packed in a colour gift-box.

MAGNA TRIX

• SKU 00015

\$5.95

Discover the mystery of magnetism and defy gravity with this modern classic.

MAGNET CLOCKS

• SKU MA11

\$12.95

Magnet clock faces, hands, numbers and digital displays make learning to tell time fun.

MAGNET WAND WITH COUNTING CHIPS

• SKU 736601

\$12.95

Magnet Wand to explore and learn about magnets plus 20 metal-rimmed counting chips.

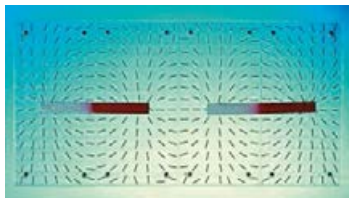

MAGNET WAND WITH MAGNET MARBLES

• SKU 736600

\$12.95

This Magnet Wand comes with 5 dual-coloured magnet marbles to get the fun rolling!

MAGNETIC FIELD DEMONSTRATOR - IRON BAR TYPE

• SKU MAS-02158

\$49.95

Two clear moulded plates containing metal pins that show the path of magnetic fields.

MAGNETIC FIELD VIEWING KIT

• SKU 731021

\$9.95

A kit with a bar magnet, round magnet and iron filings for magnetic field viewing.

MAGNETIC MARBLES JAR - 100 PIECE

• SKU MAS-01569

\$39.95

Brightly coloured, plastic-covered magnetic balls. Jar of 100. Diameter per ball, 18mm.

MAGNETIC NEEDLE

• SKU MAS-01274

\$4.95

Pair of magnetic needles for detecting the existence and direction of a magnetic field.

MAGNETIC POLE FINDER

• SKU TR-12

\$9.95

This portable device demonstrates that magnetic fields extend in three dimensions.

MAGNETIC POLE MARBLES - 100 PIECE JAR

• SKU TFC51083

\$29.95

Plastic-cased magnetic marbles with colour-coded poles. Diameter 17mm. Jar of 100.

MAGNETIC SPHERE KIT

• SKU 3201

\$24.95

Visualise a magnetic field using a magnetic sphere with iron filings around its orb.

MAGNETIC SPHERE KIT, SET OF 15

• SKU 3200

\$249.95

Create a mini magnetic field using a magnetic sphere and iron filings. Set of 15.

MAGNETISM POSTER

• SKU MAS-01599

\$7.95

Learn all about magnetism with this colourful poster. 49.5 x 69.5cm.

MICRO NEODYMIUM MAGNET - POWERFUL - 7MM X 5MM

• SKU MAS-02987

\$5.95

Neodymium rare earth magnet! Just 7mm in diameter with a pull strength of almost 3kg.

MIGHTY MAGNET MAGNETIC RACER

• SKU 3290

\$8.95

Drive the racer all around, pushing and pulling, by using the force of a mini magnet.

MINI HORSESHOE MAGNET WITH MARBLES

• SKU 736609

\$12.95

Mini horseshoe magnet, 11cm, with 5 dual coloured magnetic marbles to add to the fun.

MINI NEODYMIUM MAGNET - POWERFUL - 10MM X 10MM

• **SKU** MAS-00236

\$6.95

Just 10mm in diameter but it has an impressive pull strength of almost 3kg.

NEODYMIUM CUBE MAGNET

• **SKU** MAS-01683

\$8.95

Neodymium cube magnet, with a neodymium energy rating of N45. Measures: 1cm x 1cm.

NEODYMIUM GOLD DISC MAGNET

• **SKU** MAS-01684

\$9.95

Extremely strong, disc-shaped neodymium magnet with a diameter of 22mm.

OIL FILLED MAGNETIC FIELD DEMONSTRATOR

• **SKU** MAS-01632

\$29.95

A large, transparent acrylic case of iron filings. Filings suspended in immersion oil.

PLASTIC HORSESHOE MAGNET 12CM

• **SKU** MAS-01640

\$7.95

A large, good-value horseshoe magnet, ideal for early experiences of magnetic forces.

PRIMARY SCIENCE HORSESHOE MAGNETS, SET OF 6

• **SKU** LER0790

\$29.95

Six 12.5cm horseshoe magnets, perfectly sized and shaped for little scientist hands.

SOLID COLOURED MAGNET MARBLES - 20 PIECE

• **SKU** 736606

\$12.95

These marbles have a fun secret - they're magnetic! Roll, build, shape and play.

SOLID MAGNET MARBLES, 100 PACK

• **SKU** MC14

\$44.95

They might look like regular marbles, but they're hiding an exciting magnetic secret!

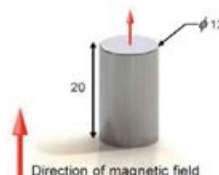

SOLID MAGNET MARBLES, 50 PACK

• **SKU** 736710-50

\$24.95

They look like ordinary marbles, but they're actually super fun magnets too! 50 Pack.

SUPER STRONG NEODYMIUM MAGNET

• **SKU** MAS-00311

\$17.95

Extremely strong cylindrical rare earth magnet! Pull strength of 17kg.

TORPEDO MAGNETS

• **SKU** MAS-00129

\$7.95

Toss 'em up in the air together and these powerful hematite magnets will rattle and hum!

U-TYPE ELECTROMAGNET

• **SKU** NK51091

\$24.95

Quality electromagnet constructed from soft iron. For use with 4.5 to 9 volt DC supply.

90MM MAGNIFIER STAND WITH LAMP

• **SKU** MAS-01633

\$12.95

Handy, magnifier lamp on a stand. Height is 22cm, magnifier diameter is 90mm.

BUG MAGNIFYING GLASS

• **SKU** MAS-02136

\$5.95

Fun magnifying glass for the curious mind, and just the right size for little hands!

COMPACT 10 X 25 BINOCULARS

• **SKU** HJ-2116

\$29.95

Explore the world with 10 x 25 compact binoculars, and see the world magnified 10-fold.

DUAL LENS FOLDING JEWELLERS MAGNIFIER

• **SKU** MAS-00902

\$5.95

A compact, quality double lens, folding magnifying glass. 10x magnification.

EYE MAGNIFIER

• **SKU** QM3515

\$8.95

This 3 x magnifier is perfect for checking PC boards, looking at coins and more.

FIELD MAGNIFIER

• **SKU** MAS-00215

\$12.95

Great quality field magnifier that gives a HUGE 10 x magnification of all things small.

ILLUMINATED GOOSENECK MAGNIFIER

• **SKU** MAS-02370

\$29.95

A useful tool to inspect coins/ stamps, electronics, or anything finely detailed.

MAGNIFIER LENS ON STAND - 2 & 4 X MAGNIFICATION

• **SKU** MAS-02377-1

\$17.95

A 11.4cm magnifying lens with a folding stand. Capable of 2x and 4x magnification.

MAGNIFYING GLASS 120MM 2X

- **SKU** MAS-01735

\$7.95

120mm magnifying glass with a black frame and a tapered handle. 2x magnification.

MAGNIFYING GLASS 40MM 10X

- **SKU** MAS-01290

\$3.95

40mm magnifying glass perfect for examining small specimens. 10x magnification.

MAGNIFYING GLASS 50MM 6X

- **SKU** MAS-01291

\$4.95

50mm magnifying glass perfect for examining small specimens. 6x magnification.

MAGNIFYING GLASS 60MM 6X

- **SKU** MAS-00900

\$5.95

60mm magnifying glass perfect for examining bugs, wings, leaves, etc. 6x magnification.

MAGNIFYING GLASS 60MM 7X

- **SKU** MAS-00901

\$5.95

60mm magnifying glass perfect for examining bugs, wings, leaves, etc. 7x magnification.

MAGNIFYING LENS

- **SKU** 7010

\$5.95

Get a close look at small things with this brightly-coloured magnifying lens.

MEGALENS MAGNIFIER

- **SKU** MAS-00096

\$9.95

Sturdy magnifier that contains a second high-power lens to get an even closer look.

MIMICRO POCKET MICROSCOPE - 60X MAGNIFICATION

- **SKU** HJ-2125

\$29.95

Powerful and handy pocket microscope. Sleek 4x4cm frame. 60x magnification.

AMPHIBIANS & FROGS PREPARED SLIDE SET

• SKU MAS-02508

\$24.95

Get a close-up look into the amphibious world with this prepared slide set. 10 slides.

ANIMAL PREPARED SLIDE SET

• SKU 7-1350

\$24.95

For the microscopic investigation and examination of creatures. 10 animal samples.

INSECT PREPARED SLIDE SET

• SKU 7-1352

\$24.95

Explore the fascinating details of insects and their body parts. Includes 10 slides.

MAKE A SLIDE - SLIDE MAKING KIT

• SKU HJ-4101

\$14.95

Make slides from vegetables, plants or insects from your garden or local environment.

MICROSCOPE SLIDE COVER SLIP 18 X 18MM

• SKU MAS-02925-1

\$1.95

Made from clear, optically true glass. Between 0.13 and 0.17mm thickness. 100 pieces.

MICROSCOPE SLIDE MAKING KIT

• SKU EDU-36700

\$29.95

Everything you need to start mounting slides and exploring microscopic worlds.

MICROSCOPE SLIDES - DOUBLE CAVITY

• SKU MAS-00772

\$39.00

Double cavity glass microscope slides with ground edges. 25.4mm X 76.2mm. Pack of 50.

MICROSCOPE SLIDES - NO CAVITY

• SKU MS-NCGE-50

\$3.50

Clear glass microscope slides with ground edges. Measure 25.4mm X 76.2mm. Pack of 50.

MICROSCOPE SLIDES - SINGLE CAVITY - PACK OF 50

• SKU MAS-00773

\$29.95

Single cavity glass microscope slides with ground edges. 25.4mm X 76.2mm Pack of 50.

PLANT PREPARED SLIDE SET

• SKU 7-1351

\$24.95

See the intricate details of a plant root, fern leaf or pine stem with this slide set.

PLASTIC COVER SLIPS, 22MM X 22MM, 100/BOX

• **SKU** MAS-02986

\$1.95

Disposable cover slips, 100/box, to preserve specimens on slides for the microscope.

PLASTIC COVER SLIPS, 22X22MM, BOX OF 1000

• **SKU** 7-1305-10

\$79.95

Disposable cover slips, 1000, to preserve specimens on slides for the microscope.

PLASTIC MICROSCOPE SLIDES, BOX OF 144

• **SKU** 7-1305-15

\$24.95

Strong plastic microscope slides. Unbreakable to protect even the smallest fingers.

PLASTIC PREPARED SLIDES, ANIMALS

• **SKU** 7-1354

\$14.95

Delve into the details of the animal world with this prepared slide set of ten.

PLASTIC PREPARED SLIDES, INSECTS

• **SKU** 7-1355

\$14.95

Explore the minute details of creepy-crawlies and their parts. Includes 10 slides.

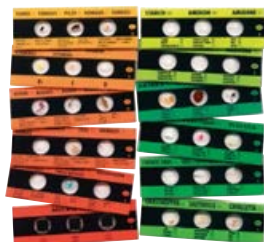

PLASTIC PREPARED SLIDES, PLANTS

• **SKU** 7-1356

\$14.95

Take a closer look at the wonders of the plant world with these handy prepared slides.

PREPARED MICROSCOPE SLIDES - 36 SPECIMENS

• **SKU** EDU-36729

\$24.95

Get a whole new perspective on everyday things with these quality microscope slides.

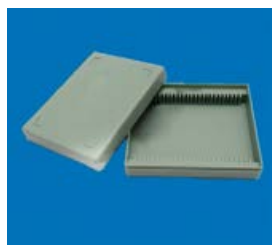

SLIDE STORAGE BOX - 100 SLIDES

• **SKU** SSB-PP-100

\$9.95

Hard plastic microscope slide storage box. Holds 50 slides. Removable lid.

SLIDE STORAGE BOX - 25 SLIDES

• **SKU** SSB-PP-25

\$4.95

Hard plastic microscope slide storage box with a removable lid. Holds 25 slides.

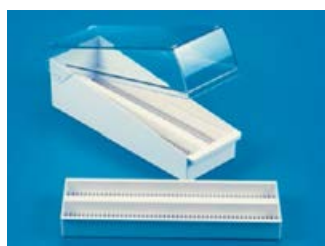

SLIDE STORAGE BOX - 50 SLIDES

• **SKU** SSB-PP-50

\$9.95

Hard plastic microscope slide storage box with a removable lid. Holds 50 slides.

SLIDE STORAGE RACK - 100 SLIDES

• **SKU** SSR-100-1

\$24.95

Made of ABS plastic with a transparent cover. Stores 100 slides with room for movement.

STUDENT SLIDEMAKING KIT

• **SKU** 7-2000-30

\$44.95

Includes 12 glass microscope slides, 100 cover slips, a mounting medium and dropper.

100X MICROSCOPE - DISCOVERY KIDS

- **SKU** MAS-03031

\$59.95

Magnify your specimens up and discover features not visible to the naked eye.

30MM EXPLORER TELESCOPE

- **SKU** MAS-02900

\$49.95

A lightweight telescope with 15x magnification! Tabletop tripod included.

40MM ASTRONOMICAL TELESCOPE

- **SKU** MAS-01980

\$64.95

A great value starter telescope with quality lenses and sturdy construction.

ADVANCED STUDENT LAB MICROSCOPE

- **SKU** MI-5001

\$249.95

Exceptional high-power microscope for students or professionals. 1000x magnification.

BIOSCOPE MICROSCOPE

- **SKU** HJ-4010

\$199.95

A great introductory stereo-microscope. 20x visualisation of virtually any specimen.

DUAL POWER STEREO MICROSCOPE

• SKU MI-4001

\$199.95

Choose between 20x or 40x magnification by simply rotating the 2x/4x objective turret.

EXPLORE TELESCOPE - 30MM

• SKU 30F300

\$39.95

Great-value starter scope with table-top tripod for stability. 30x magnification.

EXPLORER TELESCOPE

• SKU MAS-00151

\$21.95

Great starter telescope. Comes with 5 element optics and 15 magnifications.

LOOKY PERISCOPE

• SKU MAS-00081

\$14.95

See around corners and over obstacles without being seen with this cool looky periscope!

LUNARSCOPE DOBSONIAN TELESCOPE

• SKU MAS-02200

\$149.95

A perfect starter or first instrument for the budding astronomer. Moon map included.

MARSSCOPE DOBSONIAN TELESCOPE

• SKU MAS-02201

\$289.95

A dobsonian telescope that allows you to see further into solar system.

MINI TELESCOPE

• SKU MAS-00230

\$3.50

Get a close-up view with this nifty, retractable, pocket size telescope.

PHEONIX 60MM REFRACTOR TELESCOPE

• SKU F90060M

\$139.95

Portable telescope designed to provide clear observations under various sky conditions.

PHONESCOPE 30X MICROSCOPE

• SKU MAS-02145

\$19.99

Turn your phone into a microscope to view objects in all their incredible detail.

POCKET MICROSCOPE

• SKU MAS-00166

\$14.95

You can take this handy pocket microscope anywhere and everywhere!

SAFARI BINOCULARS

- **SKU** MAS-00014

\$8.95

Foldable 4 X magnification binoculars. Quality optics at a great price!

STEREO MICROSCOPE 20X

- **SKU** MI-3001

\$84.95

A light and easy to carry microscope with plastic frame and 20x magnification.

STEREO MONOCULAR MICROSCOPE 20X

- **SKU** MI-2001

\$99.95

Full metal, water resistant microscope with 20x magnification. 360 degree rotatable.

STUDENT LAB MICROSCOPE

- **SKU** MI-1001

\$199.95

High-school-level microscope with a sturdy, metal construction. 400x magnification.

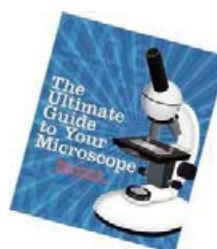

SUPERSCOPE MICROSCOPE

- **SKU** HJ-4000

\$199.95

Does the job of two traditional microscopes - a compound and dissecting microscope.

THE ULTIMATE GUIDE TO YOUR MICROSCOPE

- **SKU** MAS-02256

\$29.95

Award-winning authors detail all you need to know to make the most of your microscope.

TK1 TELESCOPE & ASTRONOMY KIT

- **SKU** MAS-02115

\$264.00

Reach for the stars with this excellent entry-level telescope and astronomy kit.

TK2 SCOPE

- **SKU** MAS-02099

\$242.00

Embark on a guided journey through the microscopic world with the quality TK2 Scope.

ULTIMATE MICROSCOPE - MY FIRST LAB

- **SKU** DC50710

\$219.95

A quality microscope with eyepiece, three lenses, illuminator and five prepared slides.

USB DIGITAL MICROSCOPE

- **SKU** MAS-01289

\$89.95

Portable USB microscope. Ideal for students in a classroom. Captures video at 640x480p.

4 STROKE MOTOR MODEL

- **SKU** 7-1861

\$69.95

A four-stroke motor model with DC power input included for engaging demonstrations.

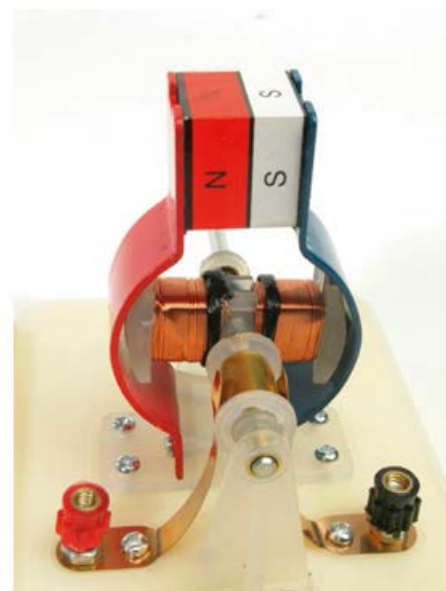

AC/DC MINIATURE MOTOR KIT

- **SKU** 7-1847

\$29.95

A build it yourself model of an AC and DC motor. Comes with a screw-driver and wrench.

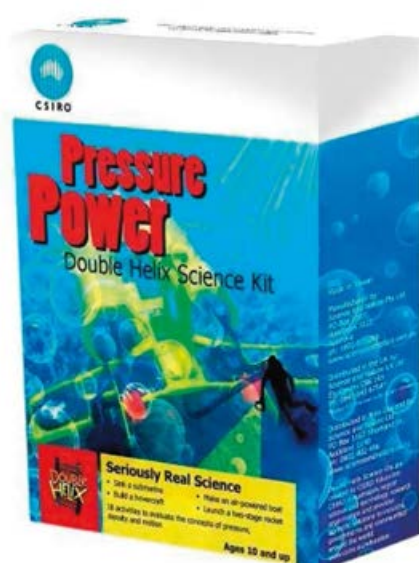

CSIRO PRESSURE POWER

- **SKU** MAS-00115

\$29.90

Learn how pressure power can be used to drive a hovercraft, launch a rocket, and more.

EIN-O CAR SCIENCE SMART BOX

• SKU MAS-00356

\$17.95

Discover the exciting world of fast and furious cars with this smart box kit.

EIN-O EGG DROP SCIENCE SMART BOX

• SKU MAS-00358

\$17.95

Learn all about the wacky features of eggs and build innovative egg contraptions.

GYROSCOPES & FLYWHEELS

• SKU MAS-02333

\$59.95

Build gyroscopic models and perform experiments that appear to defy gravity.

HAYNES INTERNAL COMBUSTION ENGINE

• SKU MAS-00571

\$89.95

Build a working petrol car engine with ignition sound and illuminating spark plugs!

KIDS FIRST INTRO TO ENGINEERING

• SKU 567002

\$49.95

Twenty five hands-on experiments and building projects with a 48-page guidebook!

MATADOR MOTOR

• SKU MAS-02053

\$44.95

Bring your Matador projects to life with this three-speed electric motor from Matador.

MY FIRST MAGIC SCIENCE SHOW

• SKU MAS-00628

\$34.95

Unleash the wizard and magic within you with your First Magic Science Show kit.

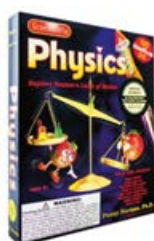

ROCKET BALL LABORATORY

• SKU MAS-00616

\$24.95

Mould bouncy balls and launch them into space with this action-packed science kit.

SCIENCE WIZ PHYSICS

• SKU MAS-01469

\$34.95

Blast off with Newton's laws of motion with this award winning kit. 24 activities

THAMES & KOSMOS PHYSICS PRO

• SKU TC-625313

\$174.95

Award-winning physics kit with 17 engaging experiments and 14 model builds.

THAMES & KOSMOS: PHYSICS WORKSHOP

• SKU TC-625412

\$94.95

Build 36 models and learn the fundamental laws of mechanical physics. 300+ pieces.

TREE OF KNOWLEDGE - PHYSICS

• SKU EDU-8200

\$49.95

250+ experiments to learn about electricity, magnetism, sound, force, motion, and more!

DOUBLE PARALLEL PULLEY

- **SKU** MAS-01269

 **\$2.95**

Double parallel metal-framed pulleys. Plastic wheels, deep V-Grooves, two end hooks

DOUBLE TANDEM PULLEY

- **SKU** MAS-01266

 **\$2.95**

Double tandem metal-framed pulleys. Plastic wheels, deep V-Grooves, and two end hooks.

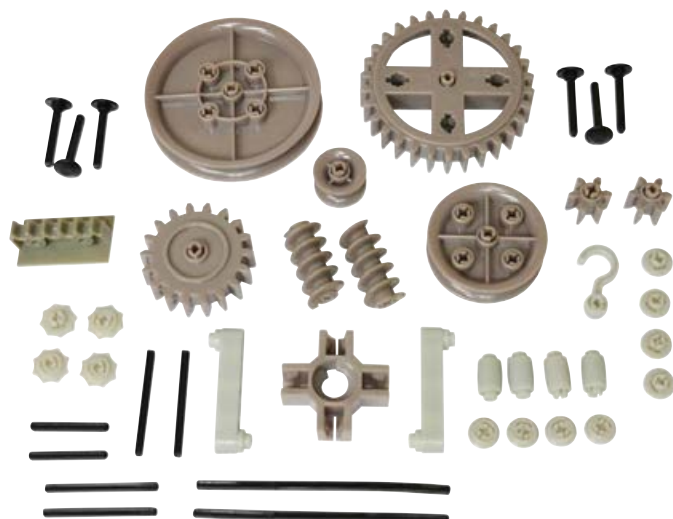

ENGINE EXTRA GEARS/ PULLEYS AND AXLE SET

- **SKU** ENG-MGA

 **\$19.95**

An extra set of gears and pulleys for your Engine contraptions.

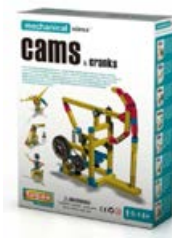

ENGINO FORCES, ENERGY & MOTION

• SKU ENG-M11

\$69.95

Build five fully working models. A detailed 36-page activity book is included.

ENGINO MECHANICAL SCIENCE: CAMS AND CRANKS

• SKU ENG-M06

\$39.95

Build 5 models using cams and cranks. Models include an oil drill and flying eagle.

ENGINO MECHANICAL SCIENCE: GEARS

• SKU ENGSTEM05

\$59.95

Build 8 models and learn how gears are used to change speed or direction.

ENGINO MECHANICAL SCIENCE: INCLINED PLANES AND WEDGES

• SKU ENG-M04

\$39.95

Explore ramps and wedges by building 6 working models with this award-winning kit.

ENGINO MECHANICAL SCIENCE: LEVERS

• SKU ENG-M01

\$39.95

Build 7 models and learn how levers are used to increase force, lift objects, and more.

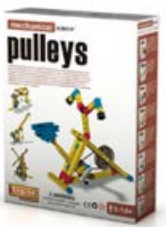

ENGINO MECHANICAL SCIENCE: LINKAGES

• SKU ENG-M02

\$39.95

Build 7 models including a parking gate, a see-saw, weighing scales and a wheelbarrow.

ENGINO MECHANICAL SCIENCE: PULLEYS

• SKU ENGSTEM03

\$49.95

Build 7 working models and learn all about pulleys with this fun construction kit.

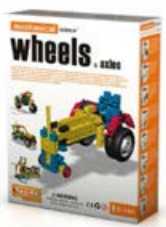

ENGINO MECHANICAL SCIENCE: SCREWS AND WORM GEARS

• SKU ENG-M08

\$59.95

Build 5 exciting models such as a screw press, a lifting platform, cranes and a vice.

ENGINO MECHANICAL SCIENCE: WHEELS AND AXLES

• SKU ENG-M03

\$39.95

Build 7 models and learn how the important wheel and axle keep vehicles moving.

ENGINO SET OF NEW GEARS AND AXLES

• SKU ENG-SG

\$24.95

Create unique inventions. This set of gears and axles is NOT included in Engino sets.

ENGINO SIMPLE MACHINES: 8 SETS IN 1

• SKU ENG-M10

\$119.95

Build 60+ models and learn about the complexities and function of simple machines.

ENGINO STRUCTURES AND BRIDGES

• SKU ENGSTEM06

\$54.95

Build 7 working models of different types of bridges and learn how they carry load.

GEARS! GEARS! GEARS! 100 PIECE BUILDING SET

• **SKU** LER9162

\$49.95

A 100-piece starter set for building and understanding gears! Activity guide included.

GEARS! GEARS! GEARS! 150 PIECE BUILDING SET

• **SKU** LER9164

\$69.95

A 150-piece starter set for building and understanding gears! Activity guide included.

GEARS! GEARS! GEARS! 60 PIECE BUILDING SET

• **SKU** LER9148

\$39.95

A 60-piece starter set for building and understanding gears! Activity guide included.

GEARS! GEARS! GEARS! MACHINES IN MOTION

• **SKU** LER-9227

\$67.95

A 112-piece set for building interactive machines and vehicles! open-ended fun.

GEARS! GEARS! GEARS! MOVIN' MONKEYS

• **SKU** LER9119

\$59.95

Pairs monkey figures with over 100 Gears! parts to build a moving jungle playground!

PULLEY WITH TABLE CLAMP

• **SKU** MAS-02626

\$18.95

Mounts to the edge of any table up to 6cm deep and adjusts up to 26.6cm in height.

SIMPLE MACHINES ACTIVITY CARD SET

• **SKU** LER7442

\$24.95

Double-sided write & wipe cards with nearly 40 hands-on simple machine activities!

SIMPLE MACHINES, SET OF 5 MACHINES

• **SKU** LER2442

\$69.95

Construct 5 simple machines then modify and test them with included weights and bands.

SINGLE PULLEY

• **SKU** MAS-01268

\$1.95

Single metal-framed pulley with plastic wheels, deep V-Grooves, and two end hooks.

TIN CAN CABLE CAR

• **SKU** MAS-02740

\$34.95

A kit to recycle your soft drink can into a fully functional cable car.

TRIPLE PARALLEL PULLEY

• **SKU** MAS-01270

\$4.95

Triple parallel metal-framed pulleys. Plastic wheels, deep V-Grooves, two end hooks.

TRIPLE TANDEM PULLEY

• **SKU** MAS-01267

\$4.95

Triple tandem metal-framed pulleys. Plastic wheels, deep V-Grooves, and two end hooks.

14-IN-1 SOLAR ROBOT KIT

• SKU MAS-02154

\$59.95

Build solar-powered robots that waddle, swim, roll and lurch in 14 ways!

6 IN 1 EDUCATIONAL SOLAR KIT

• SKU MAS-00398

\$29.95

Learn the basics of solar power as you build 6 different moving and working models.

AIR + WATER POWER

• SKU 555001

\$69.95

Everything you need to build water-jet propelled cars and hydro-pneumo powered engines.

DELUXE SOLAR EDUCATIONAL KIT

• SKU SK-40

\$34.95

Perform hands-on experiments related to solar energy with this comprehensive kit.

ECO ENGINEERING 3 IN 1 MINI SOLAR ROBOT

• SKU 03377

\$39.95

Build three different eco-friendly robots powered by the Sun. Great STEM learning.

ECOLOGICAL CLOCK, SCIENCE FOR YOU

• SKU SFY-91857

\$19.95

Build your own ecological digital clock using the liquid found in food. 10 experiments.

GREEN SCIENCE DYNAMO TORCH EDUCATIONAL KIT

• SKU 03263

\$25.95

Build a hand-powered dynamo torch to power an LED. No battery and no pollution.

GREEN SCIENCE ECO SCIENCE TOYS EDUCATIONAL KIT

• SKU 03287

\$22.95

Recycle to help save our Earth! Use everyday waste to create fantastic science toys.

GREEN SCIENCE SOLAR MECHANICS

• SKU 03401

\$29.95

Interchange the pieces to make different mechanical devices, all powered by the Sun!

GREEN SCIENCE WINDMILL GENERATOR EDUCATIONAL KIT

• SKU 03267

\$25.95

Build your own working windmill generator and learn about renewable energy.

LED SOLAR POWER FLASHLIGHT

• SKU MAS-00678

\$5.95

White plastic flashlight keyring with a solar panel to power the 3 LEDs.

MICRO SOLAR CAR

• SKU MAS-00097

\$6.50

The smallest solar car in the world with a solar panel the size of a thumb nail.

SALT WATER FUEL CELL CAR

• SKU MAS-00400

\$27.95

This is the smallest, cheapest and the first car powered entirely by saltwater.

SALT WATER SPIDER BOT

• SKU MAS-01892

\$24.95

Build your own spider and see how just a few drops of salt water bring it to life!

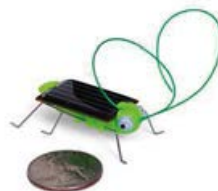

SOLAR COCKROACH

• SKU MAS-00132

\$6.95

When the sun shines on its back, it starts to dance. A fun solar energy learning tool.

SOLAR GRASSHOPPER

• SKU MAS-00133

\$6.95

When the sun shines on its back, it jumps around. A fun solar energy learning tool.

SOLAR HOUSE, RENEWABLE ENERGIES SCIENCE KIT

• SKU SFY-91635

\$49.95

Make a solar house with lights, a spinning windmill, and alarm door! Ten experiments.

SOLAR PLANE, SCIENCE FOR YOU

• SKU SFY-91666

\$19.95

High-flying science! Build and decorate a plane powered by sustainable energies.

SOLAR POWERED CAR KIT

• SKU MAS-02248

\$24.95

Learn all about renewable energy, science, engineering and electronics with this kit.

SOLAR SCIENCE KIT

• SKU MAS-00404

\$14.95

Learn and explore the abundant power of Solar Energy - the clean energy of the future.

SOLAR SPIDER

• SKU MAS-00443

\$7.50

When strong light shines on its back, the Solar Spider jumps and spins about.

THAMES & KOSMOS SOLAR MECHANICS

• SKU 665068

\$54.95

Build more than 20 solar-powered models to learn about solar cells.

TREE OF KNOWLEDGE - SOLAR POWER

• SKU EDU-8405

\$59.95

Learn how to make electricity from the sun with this comprehensive solar science kit.

WIND POWER GENERATOR, SCIENCE FOR YOU

• SKU SFY-91758

\$19.95

This kit includes all the tools needed to assemble a small wind power generator.

CHLADNI'S PLATES, SET OF 2

- **SKU** MAS-02257

 **\$170.00**

Chladni's Plates provide a fascinating visualisation of the vibrations of sound.

EIN-O BASIC BOX KIT - SOUND WAVES

- **SKU** 32380-SOUND

 **\$10.95**

Investigate how sound is created and transmitted with this great little kit.

KAZOO

- **SKU** A00650

 **\$5.95**

A classic instrument anyone can master! If you can hum a tune you can play a kazoo.

MUSIC BOX - THE PINK PANTHER

• SKU MAS-00101

\$10.95

Teach the science of sound and enjoy the Pink Panther tune with this Music Box.

SCHYLLING TIN MUSIC BOX

• SKU MAS-01737

\$13.15

Turn the handle and listen to a classic tune with this beautiful tin music box!

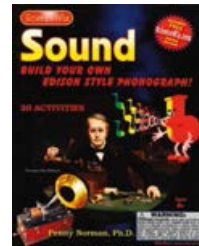

SCHYLLING WHISTLING TIN TOP

• SKU SCH-TSWT

\$9.95

Simply pull the string and this top spins, whistles and changes colors!

SCIENCE WIZ SOUND

• SKU 302707807

\$59.95

Explore the world of sound through 20 fun projects. 48-page science book included.

SINGING RODS, SET OF 2

• SKU MAS-01916

\$29.95

Coat your fingertips with the included rosin, rub the rods and make them sing!

SLINKY, SUPER LONG DEMONSTRATION SPRING

• SKU MAS-01829

\$22.95

Narrow slinky, great for physics demonstrations. Can be stretched to 10m long!

SOUND ENERGY KIT

• SKU 3983

\$199.95

A kit of 18 engaging activities to help students learn the everyday science of sound.

SOUND, FIRST STEPS IN SCIENCE

• SKU SFY-91239

\$22.95

An introduction to the science of sound! With 11 fun and interactive experiments.

TUNE TUBE SPEAKER KIT

• SKU 3989

\$29.95

Build your own speaker with two magnets, 50cm copper wire, washers and an audio jack.

TUNING FORK 128HZ (LOWER C)

• SKU TF-1001-LOC

\$9.95

Blue steel tuning fork that resonates at 128Hz, key of Lower C.

**TUNING FORK 256HZ (C)**

- **SKU** TF-1001-C

\$6.95

Blue steel tuning fork that resonates at 256Hz, key of C.

**TUNING FORK 288HZ (D)**

- **SKU** TF-1001-D

\$6.95

Blue steel tuning fork that resonates at 288Hz, key of D.

**TUNING FORK 320HZ (E)**

- **SKU** TF-1001-E

\$6.95

Blue steel tuning fork that resonates at 320Hz, key of E.

**TUNING FORK 341.3HZ (F)**

- **SKU** TF-1001-F

\$6.95

Blue steel tuning fork that resonates at 342.3Hz, key of F.

**TUNING FORK 384.3HZ (G)**

- **SKU** TF-1001-G

\$6.95

Blue steel tuning fork that resonates at 384Hz, key of G.

**TUNING FORK 426.6HZ (A)**

- **SKU** TF-1001-A

\$6.95

Blue steel tuning fork that resonates at 426.6Hz, key of A.

**TUNING FORK 480HZ (B)**

- **SKU** TF-1001-B

\$6.95

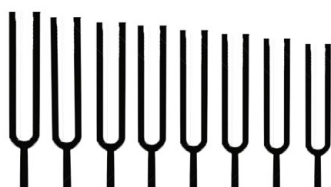

Blue steel tuning fork that resonates at 480Hz, key of B.

**TUNING FORK 512HZ (UPPER C)**

- **SKU** TF-1001-UPC

\$6.95

Blue steel tuning fork that resonates at 512Hz, key of Upper C.

**TUNING FORKS - SET OF 8**

- **SKU** TF-1001-SET8

\$44.95

Set of 8 Blue steel tuning forks packed in a sturdy polystyrene box.

**VOICE CHANGER - MEDIUM**

- **SKU** MAS-00159

\$24.95

Sound like someone completely different with this battery-operated voice changer.

**WAVE DEMONSTRATION SPRING (PLASTIC)**

- **SKU** MAS-02484

\$24.95

This plastic spring is long and narrow, expanding from 60cm to 3.65m to model waves.

**WINDUP MUSICAL BOX**

- **SKU** MAS-02327

\$5.95

Beautiful music will be in the palm of your hand with this lovely wind-up music box.

2000G WEIGHT AND CALIBRATION SET

- **SKU** MAS-00814

 **\$49.95**

13 nickel-coated steel weights in a wooden storage box. Weigh from 1g up to 1kg.

5000G WEIGHT AND CALIBRATION SET

- **SKU** MAS-00815

 **\$89.95**

16 nickel-coated steel weights in a wooden storage box. Weigh from 1g up to 1kg.

500G WEIGHT AND CALIBRATION SET

- **SKU** MAS-00816

 **\$19.95**

17 nickel-coated steel weights in a plastic storage box. Weigh from 0.01g up to 210g.

METAL CYLINDER SET, 10X30MM

- **SKU** MAS-01921

\$14.95

Investigate the properties of different types of metals with this set of 6 cylinders.

METAL CYLINDER SET, 10X40MM

- **SKU** MAS-01920

\$19.95

Investigate the properties of different types of metals with this set of 6 cylinders.

PLUMB BOB

- **SKU** MAS-01925

\$9.95

Made from a hexagonal steel rod, plumb bobs create a vertical line for you every time.

SLOTTED WEIGHT SET WITH HANGER, ASSORTED - 250G

- **SKU** 7-2500-12

\$24.95

Comes with different weights to test the durability of springs. Great for Hooke's Law.

SLOTTED WEIGHTS IN RACK, 1100G

- **SKU** MAS-03012

\$79.95

Set of brass slotted weights to a total of 1100g with a wooden storage box.

SLOTTED WEIGHTS IN RACK, 1110G

- **SKU** MAS-03013

\$89.95

Set of brass slotted weights to a total of 1110g with a wooden storage box.

SQUARE STACKING PLASTIC MASS SET

- **SKU** 7-1325

\$5.95

Teach weighing concepts with this set of 35 square shapes. Stack, build, weigh.

STACKABLE PLASTIC WEIGHT SET

- **SKU** MAS-02128

\$19.95

Set of 54 coloured plastic stackable weights: 20 x 1g, 20 x 5g, 10 x 10g, 4 x 20g.

SLOTTED WEIGHTS ON HANGER

SKU	OPTION	PRICE
SW-SET-9x5	9 x 5g	8.95
SW-SET-9x10	9 x 10g	\$12.95
SW-SET-9x20	9 x 20g	\$16.95
MAS-02005	9 x 50g	\$29.95
SW-SET-9x100	9 x 100g	\$49.95
SW-SET-9x200	9 x 200g	\$79.95

DETAILS

Slotted masses are handy when teaching physics and forces.

The slotted masses and weight hanger combination allows a student or researcher to quickly create any desired amount of mass, to use in experiments involving force, acceleration, and mass. There are also many other experiments in other fields where a variable hanging mass comes is useful.

Includes 9 Weights and 1 Hanger. Both weights and hanger are of the specified weight, giving a total of 10x the specified weight.

WEIGHT HANGER 125MM, 25G

- **SKU** 7-2500-15

\$5.95

Put your springs to the test with this durable hanger. Weights not included.

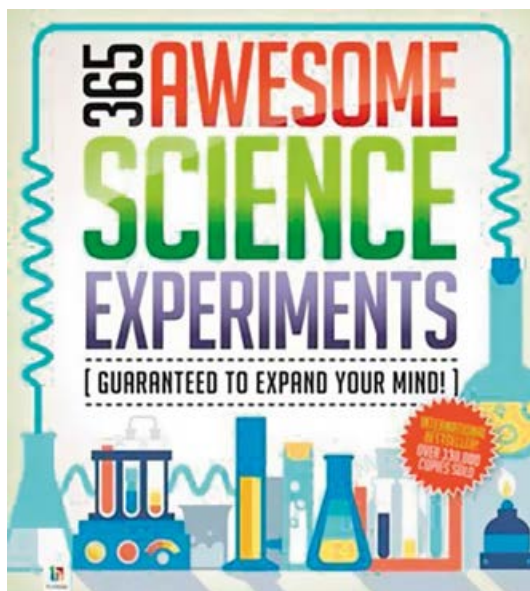

WEIGHT HANGER, NICKEL PLATED, 20CM, 50G

- **SKU** 7-2500-4

\$8.95

Put your springs to the test with this durable hanger. Weights not included.

365 SCIENCE EXPERIMENTS

• **SKU** MAS-00461

 **\$27.95**

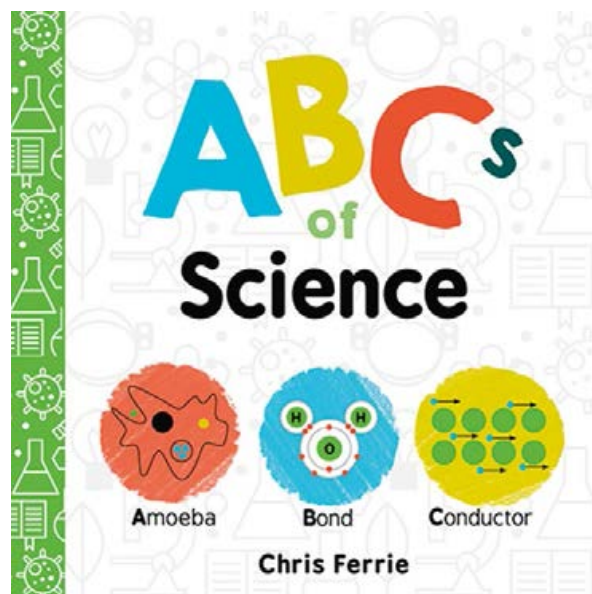

Discover the secrets of science through hundreds of challenging and fun experiments.

ABCS OF SCIENCE

• **SKU** 9.78149E+12

 **\$15.95**

Learn the ABCs of science, from amoeba to zygote! 26 full-colour pages.

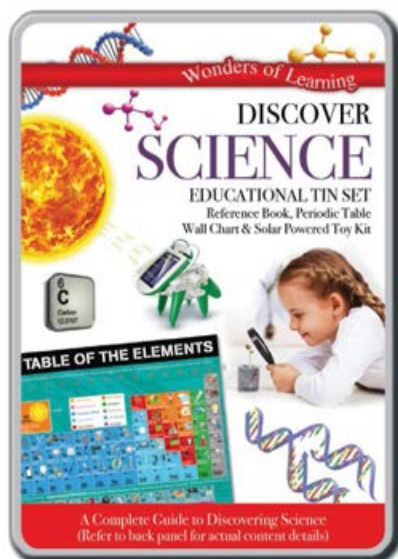

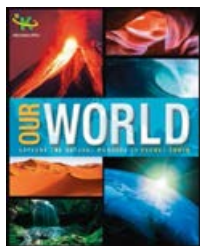

DISCOVER SCIENCE TIN SET

• **SKU** MAS-03025

 **\$5.95**

A fact book, Periodic Table wall chart and kit for building a solar-powered model car!

DISCOVERY OUR WORLD FAMILY REFERENCE GUIDE

• SKU MAS-02838

\$9.99

A guide full of information on our world featuring illustrations and cutaway diagrams.

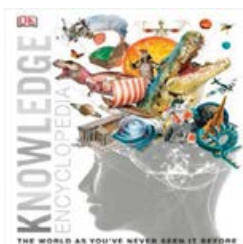

DISCOVERY STEM STARS - WOMEN WHO ROCKED MEDICINE

• SKU MAS-02854

\$7.99

An inspiring book for budding doctors or engineers about amazing women of science!

DK KNOWLEDGE ENCYCLOPEDIA

• SKU MAS-02819

\$49.99

An amazing visual introduction to the wonders of the world. Utterly absorbing.

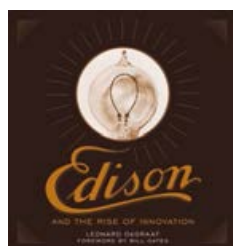

DK SCIENCE - A CHILDREN'S ENCYCLOPEDIA

• SKU 9781409347927

\$39.95

Packed with fun facts, high-quality photos and innovative graphics. 304 pages.

EDISON AND THE RISE OF INNOVATION

• SKU MAS-01899

\$39.60

A 244-page book about the life and work of the man who engineered the modern world.

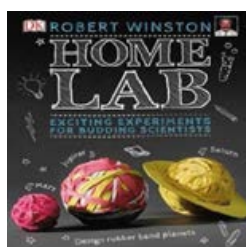

HELP YOUR KIDS WITH SCIENCE: A STEP-BY-STEP VISUAL GUIDE

• SKU 9781409383468

\$34.95

Colourful diagrams and illustrations that make science easier to understand.

HOME LAB: EXCITING EXPERIMENTS FOR BUDDING SCIENTISTS

• SKU MAS-02824

\$29.99

Amazing science projects that can be completed with items found around the house!

OUTDOOR SCIENCE LAB FOR KIDS: 52 FAMILY FRIENDLY EXPERIMENTS

• SKU 9781631591150

\$29.99

Learn physics, chemistry and biology in your own backyard! Great for all ages.

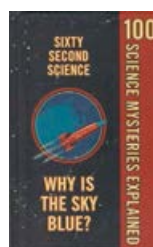

SCIENCE: DEFINITIVE VISUAL GUIDE

• SKU MAS-00755

\$45.00

Encyclopedia covering the history, key discoveries, inventions and people of science.

SIXTY SECOND SCIENCE

• SKU MAS-02255

\$15.95

Dispel science myths, demystify scientific mysteries, and inspire a love of science.

The birthday card for your favourite scientist friend! It includes a fun experiment.

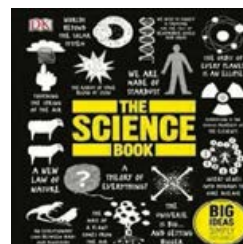

SPEED SOLVING THE CUBE

• **SKU** MAS-02061

\$17.95

Become a speed cubing master with this easy to follow, illustrated instruction book.

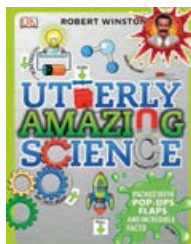

THE SCIENCE BOOK - NEW

• **SKU** MAS-02826

\$39.99

Covers everything from the history of science to the most up-to-date discoveries!

UTTERLY AMAZING SCIENCE

• **SKU** MAS-01743

\$35.00

Pop, pull, flip, and spin your way through forces, light, magnetism, and more!

WONDERS OF LEARNING BOX SET
DISCOVER PIRATES

• **SKU** MAS-02844

\$29.99

Learn about pirates! Reference and sticker books, wall chart and buried treasure kit.

WONDERS OF LEARNING
DISCOVER SCIENCE BOX SET

• **SKU** MAS-02849

\$29.99

Reference and sticker books, periodic table and a build-it-yourself solar-powered toy!

ZAP 365 INCREDIBLE SCIENCE
EXPERIMENTS

• **SKU** 9781743634585

\$12.95

Discover the secrets of science through hundreds of fun, challenging experiments!

1001 PIECE CRAFT BOX

- **SKU** 150251

 **\$34.95**

Includes stems, pom poms, googly eyes, poly balls, beads, mosaic squares and more!

ADHESIVE RHINESTONES - 850 PIECES

- **SKU** 148180

 **\$12.95**

9 x A6 sheets of small to larger-sized rhinestones in 6 colours and various shapes.

ASSORTED RUBBER BANDS - 500G

- **SKU** MAS-01548

 **\$9.50**

Pack of assorted rubber bands, in various sizes and colours. 500 grams in total.

BUCKET OF BUTTONS, 500G

- **SKU** 122654

 **\$19.95**

Each chassis is made from balsawood, 200mm x 75mm x 5mm. Sold in packs of five.

**BUCKET OF BUTTONS, 500G**

• SKU 122654

\$19.95

A bucket filled with 500g of buttons in a variety of shapes and sizes!

**BUMPER MOVING EYES PACK ASSORTED 330 PER CONTAINER**

• SKU 159926

\$12.95

Stackable container of joggle eyes with 5 individual no-mess compartments.

**BUMPER RHINESTONES PACK**

• SKU 159902

\$17.95

A pack of rhinestones in assorted shapes and colours for craft activities.

**CARDBOARD ROLLS (12 X 3CM) 36 PER PACK**

• SKU 119821

\$12.95

Bulk pack of 36 handy, multi-purpose cardboard rolls. Individual size: 12 x 3cm.

**CLASSIC CRAFT PLASTER OF PARIS POWDER 750GM**

• SKU 101703

\$7.95

750 gm of quick drying plaster powder. Dries in 1 hour. Ready for paint in 24-48 hours.

**CLASSIC CRAFT WOODEN ROLLING PIN HANG SELL**

• SKU 103974

ENGINO EXTRA SOLAR PANEL

• **SKU** ENG-SP

\$27.95

Extra solar panel to experiment with, and a fun way to power your Engino contraptions.

ENGINO SOLAR POWERED CARS

• SKU ENG-S20

\$119.95

Build 8 models of cars that can run either with solar energy or with battery power.

ENGINO SOLAR POWERED MACHINES

• SKU ENG-S10

\$99.95

Build 8 projects and bring them to life with the 1.5V solar panel and motor module.

ENGINO SOLAR POWERED PRO DUO

• SKU ENG-S30

\$169.95

Follow the 44-page booklet and build 20 moving, solar-powered models. A bumper kit!

GALT CONNECTA STRAWS

• SKU MAS-01706

\$29.95

140 pieces of flexible plastic straws, connectors, wheels and building rings.

GALT FIRST OCTONS

• SKU MAS-01705

\$29.95

Construct super-cool structures with these interconnecting octagonal shapes.

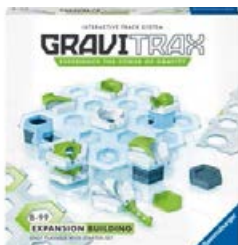

GEOMETRIC SHAPES BUILDING SET

• SKU LER1776

\$59.95

An open-ended building set for creating shapes and exploring their properties.

GRAVITRAX BUILDING EXPANSION SET

• SKU GX27602-8

\$39.95

Over 40 tiles, base plates, switches and more! Goes with your GraviTrax starter set!

GRAVITRAX HAMMER EXPANSION SET

• SKU GX27598-4

\$19.95

Speed up your GraviTrax! One Hammer tile for added momentum and 6 extra tracks.

GRAVITRAX LOOPING EXPANSION SET

• SKU GX27599-1

\$19.95

Watch your GraviTrax spheres loop-the-loop! Set includes 7 extra tracks and a loop.

GRAVITRAX MAGNETIC CANNON EXPANSION SET

• SKU GX27600-4

\$19.95

Send your spheres flying! This expansion set provides 1 magnetic cannon and 3 spheres.

GRAVITRAX STARTER KIT

• SKU GX27597-7

\$79.95

Build your own race tracks and experiment with gravity, magnetism and kinetics.

GRAVITRAX TRAX EXPANSION SET

• SKU GX27601-1

\$39.95

Over 40 tiles, tracks and spheres to extend the fun of your GraviTrax starter set!

HYDRAULICS ULTRA CLASS INNOVATION - PATHFINDERS

• SKU 6717

\$289.95

Hydraulics class innovation kit. Building materials for 30 students, working in pairs.

IQ KEY ADVANCE 1200

• SKU A1200

\$159.95

Build up to 30 models! An impressive foray into the world of mechatronics and robotics!

IQ KEY BUILDER 500

• SKU MAS-01934

\$84.95

Master mechatronics and become an electronics expert by creating 10 different models.

IQ KEY GREEN 1100

• SKU G1100

\$119.95

Build your very own mobile robotic machine, powered by the sun! Over 150 parts.

IQ KEY PERFECT 1000

• SKU P1000

\$124.95

Explore the impressive world of mechatronics. Build up to 40 mobile robotic machines.

IQ KEY PERFECT 400

• SKU MAS-01933

\$67.95

Explore the world of robotics while creating 10 different projects with 50+ components.

IQ KEY PERFECT 600

• SKU MAS-02250

\$99.00

Build 20 working models and explore concepts of motors, robotics and machines.

KLASSIK 0 - MATADOR 99

• SKU MAS-02155

\$54.95

A 99-part construction set with wooden blocks that connect through wooden pins.

KLASSIK 1 - MATADOR 222

• SKU MAS-02126

\$89.95

A high quality construction set with wooden blocks that connect through wooden pins.

KLASSIK 1A - MATADOR

• SKU MAS-02240

\$79.95

This extension kit upgrades your Classic 1 set into a 318-piece Classic 2 set.

KLASSIK 2 - MATADOR 318

• SKU 11120

\$164.95

A 318-part construction set with wooden blocks that connect through wooden pins.

KLASSIK 3 - MATADOR 407

• SKU MAS-02238

\$199.95

A 407-part construction set with wooden blocks that connect through wooden pins.

**KLASSIK 5 - METADOR 717**

• **SKU** MAS-02239

\$325.00

A 717-part construction set with wooden blocks that connect through wooden pins.

**LEONARDO DA VINCI BRIDGE**

• **SKU** MAS-02094

\$24.95

All the materials you need to make your own self-supporting da Vinci bridge.

**LEONARDO DA VINCI CATAPULT**

• **SKU** 6703

\$39.95

A working re-creation of Leonardo da Vinci's 15th Century catapult. Easy to assemble.

**LEONARDO DA VINCI HELICOPTER**

• **SKU** MAS-00806

\$39.95

A working re-creation of Leonardo da Vinci's 15th Century 'Aerial Screw'.

**LEONARDO DA VINCI ORNITHOPTER**

• **SKU** MAS-02974

\$59.95

Build your own moving model of Leonardo da Vinci's human powered flying machine!

**LEONARDO DA VINCI TANK**

• **SKU** MAS-02973

\$39.95

Build your own working version of Leonardo da Vinci's 15th century armoured vehicle!

**LEONARDO DA VINCI TREBUCHET**

• **SKU** 15872 47282

\$44.95

Create a trebuchet that will throw a soft clay ball (included) well over 6 meters!

**LIFT BRIDGE - TRUSS DESIGN**

• **SKU** MAS-02092

\$45.95

Construct a working model of a lifting truss bridge. Durable and made from wood.

**MATADOR 52 HOTCAR SET**

• **SKU** MAS-02236

\$44.95

Build 4 car models with this set of wooden blocks that connect through wooden pins.

**MEDIEVAL CATAPULT - SIEGE ENGINE SERIES**

• **SKU** MAS-01605

\$39.95

Catapult model that allows you to choose the distance and trajectory of the projectile.

**MEDIEVAL SIEGE TOWER WITH CATAPULT**

• **SKU** MAS-01335

\$44.95

Build a fully-functional 38cm tall medieval siege tower and breach your enemies' walls.

**MEDIEVAL TREBUCHET - SIEGE ENGINE SERIES**

• **SKU** MAS-00804

\$39.95

Ready, aim, fire! Build a working trebuchet and launch a soft clay ball over 6 metres!

OUR AMAZING BRIDGES

• SKU MAS-00310

\$49.95

Cast, construct and paint three amazing bridges with this comprehensive activity set.

PLAYGROUND: ENGINEERING & DESIGN BUILDING SET

• SKU LER2842

\$39.95

104 pieces and 10 challenge cards for junior engineers to build their own playground.

SPACE LINKS CONSTRUCTION

• SKU MAS-01650

\$24.95

Construct interesting shapes with these colourful and sturdy construction links.

STEM ACTIVITY SET CLASSROOM BUNDLE

• SKU LER2834

\$159.95

Includes Force & Motion, Simple Machines, Magnets, and Sink & Float STEM Activity Sets.

STEM FORCE & MOTION ACTIVITY SET

• SKU LER2822

\$42.95

Moving fun! 2 cars, 2 double-sided tracks, 4 weighted blocks, pendulum ball and ladder.

STEM MAGNETS! ACTIVITY SET

• SKU LER2833

\$49.95

Ten magnets, 2 snap-on cars, tray with maze, string and activity cards for STEM fun!

STEM SIMPLE MACHINES ACTIVITY SET

• SKU LER2824

\$44.95

A fun set of 6 simple machines that can be modified with included weights and bands.

STEM SINK OR FLOAT ACTIVITY SET

• SKU LER2827

\$44.95

Sink or float?! Includes a submarine and raft along with weights, balls and stars.

TUMBLE TRAX MAGNETIC MARBLE RUN

• SKU LER2821

\$39.95

Create your own unique marble run with long, short, and curved magnetic pieces.

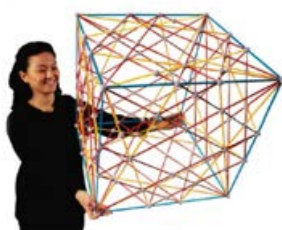

ZOMETOOL, CREATOR 1

• SKU ZT-OA-ZT1-KIT

\$99.95

Unique modelling tool with 186 struts and 60 nodes for building geometric structures.

ZOMETOOL, CREATOR 3

• SKU ZT-OA-ZT3-KIT

\$249.95

Explore structures and build hundreds of models with 738 precision Zometool components.

ZOOB - 125 PIECES

• SKU MAS-02285

\$42.95

This 125-piece ZOOB construction set is perfect to unleash the creative builder in you!

RUBIK TABLETOP PUZZLES

DETAILS

A variety of tricky puzzles! Choose your own level of difficulty. 100 pieces.

BIZARRE BUILDER WACKY CREATURES

• **SKU** 30745

\$18.95

Mix and match parts to build four cool wacky creatures or design one of your own.

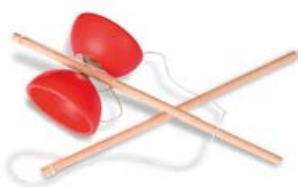

CLASSIC WOODEN ABACUS

• **SKU** MAS-01699

\$24.95

Beautifully made wooden framed abacus with bright coloured wooden beads. 22cm X 28cm.

DIABOLO JUGGLING SET

• SKU BZ-1010

\$29.95

A classic juggling prop! Two batons with a string for spinning and tossing the spool.

DRESS UP KIT, DOCTOR

• SKU QU1014

\$49.95

Let your little ones dream big dreams in this dress up kit that lets them play pretend.

DRESS UP KIT, SCIENTIST

• SKU QU1016

\$49.95

The perfect outfit for undertaking any of the Mad About Science experiments!

FELIX'S PILLOW

• SKU MAS-01673

\$24.95

A variation of the Rubik's Cube, with curved edges and smoother twisting mechanism.

FISHING GAME IN TIN BOX

• SKU MAS-02319

\$12.95

Use magnetic rods to pick up sea creatures and other objects from your private pond!

HOUDINI ESCAPE PUZZLES

• SKU MAS-01984

\$34.95

Secure Houdini using the ropes, lock and rings and work your magic to set him free.

K-CLUBS JUGGLING KIT

• SKU BZ-1020

\$39.95

A set of three colourful weighted clubs. A great introduction to the world of juggling!

KENDAMA

• SKU BZ-0011

\$29.95

A game of hand-eye coordination that will keep you challenged for months!

KNOT SO FAST GAME

• SKU TN7090

\$49.95

Earn points by being first to correctly tie the knot shown on each challenge card!

MAGIC LOOPS

• SKU MAS-00180

\$10.95

Interwoven wire loops that can expand and collapse into dozens of amazing 3D shapes.

MAGICIAN IN A TIN

• SKU MAS-02920

\$24.95

Twenty-five amazing magic tricks in one convenient tin! Wow your family and friends.

METAL DISENTANGLEMENT PUZZLE - BEGINNER

• SKU MAS-01701

\$4.95

An interlocking metal puzzle to test your dexterity, spacial and reasoning skills.

**MOLECUBE**

• **SKU** PUZ MOLE

\$39.95

The more you play, the smarter you get! Molecube is the perfect exercise for your mind.

**RAVENSBURGER 3D EIFFEL TOWER PUZZLE**

• **SKU** 125562

\$39.95

Take a virtual trip to Paris, and enjoy constructing this eye-catching landmark.

**RAVENSBURGER 3D TOWER BRIDGE LONDON PUZZLE**

• **SKU** 125593

\$64.95

A creative introduction to architecture and problem solving. 216 piece 3D puzzle.

**RAVENSBURGER TULA MOON 3D EIFFEL TOWER PUZZLE**

• **SKU** MAS-02207

\$39.95

Build a detailed 3D model of the Eiffel Tower. 216 sturdy plastic pieces.

**SKIP 'N TWIST**

• **SKU** BMA2011

\$9.95

A cool combination of a skipping rope and an elastic! Skip and hop for hours.

**SPIROGRAPH DELUXE KIT**

• **SKU** 015075

\$44.94

Draw elegant, spiraling designs. Comes in a box with a handy carry handle.

**SPIROGRAPH TRAVEL**

• **SKU** MAS-02242

\$19.95

A portable spirograph studio for creating countless amazing designs on the go.

**SPIROGRAPH TRAVEL DESIGN SET TIN**

• **SKU** 015076

\$27.95

Draw elegant, spiraling designs with the award-winning Spirograph Design Set.

**SWITCH PITCH**

• **SKU** SP100

\$15.95

Toss this innovative ball in the air and watch the colors magically flip!

**TABLETOP TRIVIA QUIZZES**

• **SKU** MAS-01391

\$7.95

Trivia questions on 50 cards. Ideal for parties, travel plans and get-together fun!

**THE OFFICIAL RUBIK'S CUBE**

• **SKU** MAS-00673

\$24.95

The world's top-selling puzzle game. Over 43 quintillion possible pattern combinations!

**TOTALLY GROSS THE GAME OF SCIENCE**

• **SKU** MAS-02334

\$14.95

Full of amazing facts about our wonderful world! This game makes learning science fun.

ARDUINO STARTER KIT

- **SKU** K000007

 **\$139.95**

This kit teaches the basics of programming with open source Arduino in a hands-on way.

ARDUINO UNO REV3

- **SKU** A000066

 **\$39.95**

Arduino Uno uses fun and engaging hands-on projects to get started with electronics.

ARDUINO WORKSHOP KIT

- **SKU** MAS-02367

 **\$89.95**

The Arduino Workshop Kit has everything needed for fun electronic programming projects.

CODE GAMER

- **SKU** 620141

\$242.00

Learn to code by playing a video game with this awesome game controller and app combo.

CODE MASTER

- **SKU** TN1950

\$39.95

A coding board game that teaches the basics without even needing a computer!

LET'S GO CODE ACTIVITY SET

- **SKU** LER2835

\$49.95

A non-electronic introduction to coding and programming with fun die-cut pieces.

PROGRAMMING ARDUINO: GETTING STARTED WITH SKETCHES

- **SKU** MAS-02204

\$24.95

This thoroughly updated guide shows how to quickly program all Arduino models.

ROBOT TURTLES GAME FOR LITTLE PROGRAMMERS

- **SKU** MAS-01709

\$57.95

This board game sneakily teaches programming fundamentals to kids ages 4+.

SNAPINO - MAKES CODING A SNAP

- **SKU** SCSNAPINO

\$79.95

Snapino is an introduction to the open-source Arduino coding environment.

DJISpark-R-Lava Red	Lava Red	\$795.00
DJISpark-Y-Sunrise Yellow	Sunrise Yellow	\$795.00

DETAILS

The mini drone equipped with DJI's leading technologies and flight capabilities.

BEE-BOT RECHARGEABLE DOCKING STATION

• SKU EL00358

\$74.95

A rechargeable docking station that powers up to six Bee-Bots at once! Wall-mountable.

BEE-BOT RECHARGEABLE ROBOT

• SKU 392654

\$139.95

Press buttons to program movement forward, left, right, or backwards, then press go!

**BIGTRAK**

• **SKU** MAS-02228

\$129.95

Enter up to 16 separate commands on bigtrak's keyboard and watch him go!

**CYBER ROBOT**

• **SKU** MAS-02339

\$169.95

A cool robot to assemble and program. Great for technology and robot enthusiasts.

**DIY ROBOT COMBO**

• **SKU** HJ-0602

\$39.95

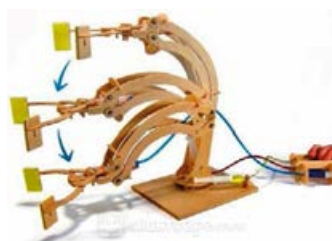

Build this clever robot and learn to solder at the same time! Great for beginners!

**FRILLED LIZARD**

• **SKU** MAS-01891

\$64.95

Construct a lifelike lizard that will follow you around or charge into escape mode.

**HYDRAULIC ROBOTIC ARM**

• **SKU** MAS-00808

\$39.95

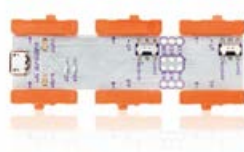

Build a working, moving hydraulic arm - powered by water! Made from untreated wood.

**HYPERDRONE RACING CHAMPION KIT**

• **SKU** 84775

\$189.95

Comes with 2 racing drones, intelligent station, altitude lock, battle mode and more!

**LITTLEBITS - ARDUINO**

• **SKU** LBH061

\$109.00

You can now easily incorporate programming into your littleBits circuits!

**LITTLEBITS - BARGRAPH**

• **SKU** LBH071

\$24.95

It has 5 LEDs in different colors that show how much signal the module is receiving.

**LITTLEBITS - BUZZER**• **SKU** LBH815**\$19.95**

The buzzer Bit buzzes whenever it gets an ON signal. Try using it to make an alarm!

**LITTLEBITS - DELAY**• **SKU** LBH088**\$24.95**

The littleBits delay module takes incoming audio and repeats it, just like an echo.

**LITTLEBITS - KEYBOARD**• **SKU** LBH085**\$39.95**

The keyboard lets you play melodies - it has 13 switches that make up an entire octave.

**LITTLEBITS - LIGHT WIRE**• **SKU** LBH083**\$29.95**

The light wire Bit is over a meter long and its entire length glows a soft blue.

**LITTLEBITS - MICROPHONE**• **SKU** LBH053**\$29.95**

The microphone Bits module translates sound into the electronic language of littleBits.

**LITTLEBITS - MIX**• **SKU** LBH089**\$34.95**

This module allows you to combine two inputs and send them to a single output.

**LITTLEBITS - MOTORMATE**• **SKU** LB-660-0007**\$9.95**

MotorMate enables wheels, paper and other materials to attach easily to the DC motor.

**LITTLEBITS - MOUNTING BOARDS**• **SKU** LBH051**\$24.95**

Two mounting boards that allow you to keep your circuit intact and move it around.

**LITTLEBITS - NUMBER**• **SKU** LBH073**\$34.95**

This module displays information about the signal it's receiving from other modules.

**LITTLEBITS - OSCILLATOR**• **SKU** LBH086**\$24.95**

This oscillator is capable of creating audio tones for almost every sound experiment.

**LITTLEBITS - P4 POWER**• **SKU** LB-650-0064**\$16.95**

This module allows the use of a 9v battery to supply electricity to your littleBits.

**LITTLEBITS - PRESSURE SENSOR**• **SKU** LBH060**\$29.95**

A touch-activated module. The more pressure you apply, the more signal it sends out.

LITTLEBITS - RANDOM

• SKU LBH087

\$24.95

The littleBits random module has two modes: "noise" and "random voltage".

LITTLEBITS - RGB LED

• SKU LBH074

\$14.95

Use the included screwdriver to adjust color channels to achieve almost any colour.

LITTLEBITS - SERVO

• SKU LBH072

\$49.95

A controllable motor that can swing back and forth! It has two modes - Turn and Swing.

LITTLEBITS - SHOES VARIETY PACK

• SKU LBH084

\$19.95

Secure your circuit with our easy-to-use shoes! This pack includes 15 shoes.

LITTLEBITS - SPLIT

• SKU LBH094

\$24.95

The littleBits Split module sends a single input to two wired outputs.

LITTLEBITS - STAR WARS DROID INVENTOR KIT

• SKU LB-680-0011-EU

\$159.95

Build your own R2 unit and bring it to bleeping, blooping life! Pairs with free app.

LITTLEBITS - SYNTH KIT

• SKU LBH005

\$274.95

Build your own sound machines with little to no engineering or musical knowledge.

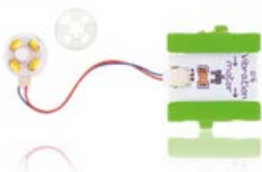

LITTLEBITS - SYNTH SPEAKER

• SKU LBH095

\$34.95

The synth speaker with an output jack amplifies your sonic explorations!

LITTLEBITS - VIBRATION MOTOR

• SKU LB-650-0034

\$29.95

With this vibration motor, you can make anything vibrate and buzz!

LITTLEBITS - WIRE

• SKU LBH052

\$19.95

The wire Bit allows you to physically separate your Bits. Useful in many situations.

LITTLEBITS LIGHT SENSOR

• SKU LB-650-0111

\$29.95

Light sensor measures how much light is shining on it. Two modes: light and dark.

LITTLEBITS MICROSEQUENCER

• SKU LBH839

\$44.95

Sends out voltages based on the position of each of the four step knobs.

LITTLEBITS MOTION TRIGGER

• **SKU** LBH809

\$49.95

Motion trigger sends an ON signal to the following Bits when someone is moving nearby.

LITTLEBITS REMOTE TRIGGER

• **SKU** LBH803

\$19.95

The remote trigger enables you to use a common remote control with your modules.

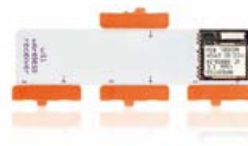

LITTLEBITS SLIDE DIMMER

• **SKU** LBH830

\$16.95

Control the slide dimmer by moving its lever from one end of the Bit to the other.

LITTLEBITS WIRELESS RECEIVER

• **SKU** LBH832

\$79.95

Receives a signal from a wireless transmitter and activates your circuit remotely!

LITTLEBITS WIRELESS TRANSMITTER

• **SKU** LBH833

\$79.95

Sends a signal to the wireless receiver and activates your circuit remotely!

MAKEBLOCK BATTLE CODEYBOT - LED LASER TURRET

• **SKU** MAS-02264

\$50.00

This turret is easy to attach to your Codeybot, and install. Let the battle begin.

MAKEBLOCK BLUETOOTH MODULE FOR MBOT V1

• **SKU** MB13035

\$24.95

Control your mBots with blue-tooth smartphones, computers and other devices.

MAKEBLOCK CODEYBOT - CUSTOMIZABLE ROBOT

• **SKU** MAS-02265

\$270.00

A fully customisable robot that teaches you how to program using interactive features.

MAKEBLOCK INVENTOR ELECTRONIC KIT - BLUETOOTH

• **SKU** MAS-02268

\$205.00

The Makeblock Inventor Electronic Kit is a modular platform for quick prototyping.

MAKEBLOCK MBOT ADD ON PACK - SERVO PACK

• **SKU** MAS-02328

\$45.00

mBot servo pack is a 3-in-1 pack based on mBot. Create a dancing cat and more.

MAKEBLOCK MBOT ADD-ON PACK - 6 LEGGED ROBOT

• **SKU** MAS-02266

\$44.95

This mBot expansion pack lets you construct the Beetle, Mantis, and Crazy Frog.

MAKEBLOCK MBOT RANGER ROBOT - BLUETOOTH

• **SKU** MAS-02330

\$300.00

Make a tank, 3-wheel racing car, and self-balance car with this mBot Ranger Robot Kit.

MAKEBLOCK MBOT V1.1 - BLUE (2.4G WIRELESS)

• SKU MAS-02267

\$160.00

Meet friendly mBot, a STEM educational robot for learn coding and robotics.

MAKEBLOCK MBOT V1.1 - BLUE (BLUETOOTH VERSION)

• SKU MAS-02329

\$148.00

mBot is an all-in-one solution to enjoying the hands-on experience of programming.

MAKEBLOCK STARTER ROBOT KIT (BLUETOOTH)

• SKU MAS-02269

\$236.00

This starter STEM kit lets you build two different robots to learn coding and robotics.

MAKEBLOCK ULTIMATE 2.0 - 10-IN-1 ROBOT KIT

• SKU 90040

\$550.00

Flagship robot kit based on Makeblock platform with rich features and compatibility.

MIO THE PROGRAMMABLE ROBOT

• SKU CLE61298

\$59.95

Build your very own real robot and have fun programming its path! 20+ pieces.

MOTORISED ROBOT HAND

• SKU FSG3407

\$27.95

Build a robotic hand from scratch to learn about robotics and hand anatomy!

OWI 3-IN-1 ALL TERRAIN ROBOT

• SKU OWI-536

\$99.95

Build three unique construction machines within one innovative robot design.

ROBOTIC ARM EDGE

• SKU KJ8916

\$109.95

A robust robotic arm with five independent joints. Advanced design at a great price.

ROBOTIC ARM EDGE ACTIVITIES AND EXPERIMENTS CURRICULUM

• SKU EXP-535

\$39.95

Flexible robotics curriculum for individual student use, science museums or classrooms.

ROBOTICS WORKSHOP

• SKU 620377

\$320.00

Build and program robots with this complete robotics engineering system! Free app.

ROBOTICS: SMART MACHINE

• SKU 620375

\$184.95

Build no less than 8 motorized machines controlled by programs and ultrasound sensor.

SILVERLIT POKIBOT

• SKU MAS-02921

\$29.95

Over 6 features, like playback and sound activated motions! Smart device compatible.

SILVERLIT PROGRAM-A-BOT

• SKU 88429

\$79.95

Program and control your bot with over 36 actions! It can even kick a ball!

SILVERLIT ROBOT CHAMELEON

• SKU 88538

\$69.95

Use the remote to maneuver your chameleon around the room and help him eat! 28cm long.

SMART ROBOT

• SKU 03272

\$24.95

Build your very own smart robot that changes direction when it encounters an obstacle.

SPIDER ROBOT

• SKU 03392

\$29.95

Build a spider robot and watch it scuttle up and down a string! All parts included.

TOBBIE THE ROBOT

• SKU FS893

\$59.95

Tobbie is an intelligent six-legged robot you build yourself! Light and sound effects.

USB INTERFACE FOR ROBOTIC ARM EDGE

• SKU OWI-535USB

\$79.95

Easy-to-use USB Interface for the Elenco Robotic Arm Edge 535.

VEX ROBOTICS CATAPULT

• SKU 406-4211

\$29.95

Build your own robotic catapult! Launches balls over three meters at maximum tension.

VEX ROBOTICS CROSSBOW

• SKU 406-4210

\$29.95

Build your own robotic crossbow and control the firing distance! Two ways to build.

VEX ROBOTICS HEXCALATOR

• SKU 406-4206

\$49.95

Over 260 parts and detailed instructions to build 3 variations of the Hexcalator!

VEX ROBOTICS MOTOR KIT

• SKU 406-4287

\$29.95

Power up your VEX creations with this motor! Compatible with all VEX ball machines.

VEX ROBOTICS PICK & DROP

• SKU 406-4204

\$79.95

Over 400 pieces to build a pick and drop ball machine, ray gun and space craft!

VEX ROBOTICS ZIP FLYER

• SKU 406-4559

\$19.95

A robotic gadget to shoot propellers over 9 meters! Two ways to build and launch.
